Memo no. DNRE/HAREDA/2025-26/Pump/2316

Dated: 30/06/25

**Subject:- Submission of a video( 15-45 seconds) of installed Solar Pumps to district office and HQ under component-B of PMKUSUM scheme.**

References:

1. MNRE tender no. SECI/C&P/MI/00/0010/2022-23 Dt. 31.12.2022 point no. 16
2. LOI issued by this office vide no. 4781-4807 Dt. 31.7.2023.
3. HAREDA office order no. 2120-23 Dt. 24.6.2025.

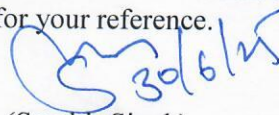

It is informed that during the review meeting held on 25.06.2025 regarding installation and monitoring of Solar Water Pumps under Component-B of PM-KUSUM scheme, it was decided that to ensure the quality and performance of installations, vendors must record a **15-45 second video** for **each pump installed** under work orders issued during FY 2025-26.

The video must clearly display the farmer's name, address, vendor name and pumps category, pump installations features, water discharge, and micro-irrigation system (if applicable). The video must be submitted to the District Office before obtaining the signed Joint Commissioning Report (JCR), and also be submitted to Headquarters along with the payment claim for monitoring purposes in a pan drive.

*The title/name of the video shall be the serial no. of the farmer in work order, 1<sup>st</sup> three alphabets of the vendor name and SARAL ID without mentioning SWPS. For example: a farmer is allocated to M/s Alpex Solar in a work order issued on 24.4.2025, he is at serial no. 1 and his SARAL ID is SWPS/2025/12345. Then the title/name of the video will be "0001ALP202512345"*

In view of the above, you are hereby directed to comply with the said instructions and ensure submission of JCRs and payment claims in accordance with these guidelines for all work orders issued during FY 2025-26. The sample video and content are attached herewith for your reference.

## **Video content of an installed solar pump by Vendor (Duration 15-45 seconds)**

### **Farmer Speech**

- मेरा नाम .....है। मेरे खेत में .....कंपनी का ..... HP का पंप लगाया गया है। मेरी सरल आईडी ..... है। मैं इससे संतुष्ट हूँ। मेरा कोई भी रेटा बजरी या सीमेंट का पैसा कंपनी की तरफ बाकी नहीं है।

### **Company Speech**

- हमने किसान के पंप के Anti Theft नट जड़ दिए हैं तथा इसके तारों को सही से बांध दिया है और कंक्रीट का बेस अच्छे से बना दिया है ताकि यह तेज आंधी तूफान में टूटे या उखड़े नहीं।
- हमने इसका Lighting Arrestor सही से लगा दिया है और उसकी Earthing भी अच्छे से कर दी है।
- इस पंप का पानी भी अच्छे से निकल रहा है।
- इनका गांव Dark Zone में आता है इसलिए किसान ने Drip/ Sprinkler लगा रखा है।
