To

All the empanelled vendors
Under Component-B of PM-KUSUM scheme in Haryana State

No. 3024

Dated:- 22/07/2025

Subject: Notice- Unauthorized Uploading of RMS Data from Data Logger without Consent of District Officer.

As per the terms and conditions of the tender, accurate data pertaining to the parameters of installed solar pumps is to be obtained from the data logger in cases where the Remote Monitoring System (RMS) or internet connectivity is unavailable.

In this regard, it has been repeatedly communicated to all vendors through various meetings that, in the event of internet unavailability, uploading of data from the data logger on the PM-KUSUM State Portal must be carried out only after obtaining the consent of the concerned District Officer.

However, it has come to notice that some vendors are continuing to upload such data without seeking the required consent. This practice is a clear violation of the guidelines that have been issued from time to time.

You are, therefore, once again directed to strictly refrain from uploading data from the data logger without prior approval of the concerned District Officer. Non-compliance with this directive shall invite action against you as per the terms and conditions of the tender including revoking of performance bank guarantee and blacklisting. .

This may be treated as a final notice in this regard for strict compliance, please.

(Sombir Singh)
Chief Scientific Engineer
for Director,
DNRE Haryana & HAREDA,
Panchkula
