No. DNRE/PMKUSUM/ 2025/ 5387-89 Dated Panchkula, the 26/09/25

Subject: Regarding awareness creation among beneficiary farmers to download and use of "PMKUSUM" Mobile App for Solar Water Pumping Systems for effective utilization, monitoring, timely registration and redressal of complaints related to their installed solar pumps.

With reference to the subject cited above, I am directed to inform you that the Ministry of New & Renewable Energy (MNRE) has launched a mobile application titled "PMKUSUM" for effective utilization, monitoring, and complaint registration and redressal of solar water pumping systems installed under Component-B of the PM-KUSUM Scheme. The application is available for download on the Google Play Store at the following link: https://play.google.com/store/apps/details?id=com.novatrice.pmkusum&pcampaignid=web_share. Farmers can login to this application using their mobile number registered for the solar pump, along with the One-Time Password (OTP) received on the same number.

You are, therefore, requested to take necessary steps to create awareness among beneficiary farmers of solar water pumping systems through SMS, emails, other social and press media etc regarding the downloading and use of the PMKUSUM Mobile App to ensure effective utilization, monitoring, timely registration and redressal of complaints related to their installed solar pumps.
