Letter No. 4478

Dated: 04-09-2025

**Subject: Regarding submission of proper declarations correct uploading of I & C Photographs for solar pumps installed under Sanction-2, 4, 5, 6 & 7 on PM KUSUM Portal.**

With reference to the subject cited above and this office letter dated 08-10-2024, following various reminders and review meetings vide, all vendors were previously instructed to upload the correct photographs (4th photograph of Installation & Commissioning) corresponding to various sanctions of solar pumps as per MNRE guidelines and the directions issued from this office vide letter no. 1029 dated 05-05-2025 on the same subject matter.

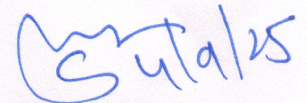

It is reiterated that vendors are required to ensure that the uploaded photographs meet the specifications outlined in the MNRE guidelines and tender clauses, which mandates: -

“Successful bidder shall submit the Certificate (in the prescribed format-to be provided by SIA) along with the photographs of each SPWPS installation, **clearly displaying the complete installation setup including the beneficiary, Pump number, etc.**”

Accordingly, it is submitted that the following must be displayed in the 4th photograph of Installation & Commissioning. The sample photograph is attached for reference. (Please ignore earlier letter no. 11937 dated 19-01-2024 in this regard.)

1. Saral ID
2. Farmer Name
3. Proper Latitude & Longitude (6 Decimals)
4. Pumps Capacity
5. Complete Module-installed structure along with farmer (at least one complete module-installed structure setup in case of more than one structure setup).

You are therefore directed to upload the correct photograph of the said sanctions on the portal as per the aforementioned requirements within 7 days.
