Memo No. 310-13

Dated: 13.04.2026

Subject: Meeting with IPPs/Stakeholders/Departments/Industries for Inputs on Draft RFP prior to Issuance of Final RFP for Paddy Straw-Based 200 MW Biomass Power Projects in Selected 13 Districts of Haryana

Please refer to the subject cited above.

As you may be aware, the Government of Haryana is promoting paddy straw-based power projects in the State as per Bio Energy Policy-2018. In this regard, proposals are being invited from biomass project developers for establishment of such projects in the rice-growing districts of Haryana. Initially, power projects aggregating to 200 MW capacity, with individual project capacities ranging from 9.9 MW to 25 MW, are proposed to be established across 13 districts of the State.

A pre-bid meeting with stakeholders in this regard has been scheduled for 22.04.2026 at 11:00 AM to take input from all stakeholders on draft RFP for said proposed projects.. A press advertisement regarding the same has already been issued. Stakeholders have been requested to submit their comments/suggestions on the draft Request for Proposal (RFP) in writing by 18.04.2026. Only those stakeholders who submit their comments within the stipulated time shall be eligible to participate in the pre-bid meeting. The draft RFP has been uploaded on the official website <http://www.hareda.gov.in>.

In view of your expertise in this field, you are requested to kindly furnish your comments on the draft RFP for proposed paddy straw based 200 MW Biomass Power Projects in Haryana and attend the pre-bid meeting on the scheduled date and time mentioned above.
