About Mitti Café:

Mitti Social Initiatives Foundation is a non profit organization committed to the cause of employment and livelihoods for people with special needs. It works towards economic independence and dignity for adults with physical, intellectual and psychiatric disabilities and persons from other vulnerable communities. The organisation's outreach initiatives also help in creating awareness about inclusion and disability rights.

Additional Information : The Organization creates employment opportunities for people with disabilities by training and hiring them in our cafes. These Cafes are managed by hundreds of adults with special needs who have served over 10 million meals. There are 35 cafes within institutions such as Bangalore International Airport, India Coffee House, Wipro, Infosys, Accenture, Wells Fargo, ANZ Bank, IQVIA, and Cytecure Hospital.

What's New: Gujarat High Court would be first in the country to initiate the project following the establishment of Mitti Café at Supreme Court of India. High Court of Gujarat and GSLSA propose to provide opportunity to family members of employees and officers who are physically challenged and are inclined to undergo the training and become part of project.
