Subject: Clarification on Use of Virtual Calculator in JEE (Main) 2026- Reg.

The National Testing Agency (NTA) will conduct the Joint Entrance Examination (Main) – 2026 in two sessions — Session I in January 2026 and Session II in April 2026. The online application form for JEE (Main) – 2026, Session I has already been made live on the NTA website (<https://jeemain.nta.nic.in/>) on 31 October 2025 for eligible candidates to fill and submit.

In the Appendix-VIII of the Information Bulletin for JEE (Main) – 2026 on “Computer Based Test (CBT)” which has been uploaded on the NTA’s official website, it has been mentioned that an onscreen standard calculator will be available during the Computer-Based Test (CBT). **However, this feature forms part of the generic test conducting platform and does NOT apply to JEE (Main) conducted by the NTA, as the use of calculators in any form is not permitted in this examination.**

The revised Information Bulletin for JEE (Main) 2026 has been uploaded and candidates are advised to download this. NTA regrets the typographic error in the Information Bulletin of JEE (Main) 2026 and for the inconvenience caused to the candidates.

For further clarification related to the JEE (Main)– 2026, the Candidates are advised to visit the official websites of NTA (www.nta.ac.in) and (<https://jeemain.nta.nic.in/>) for the latest updates.
