e-Counselling Process Flow Diagram

Computerization and Computer Networking of Consumer Forums in Country

Confonet is an internet based Case Monitoring System developed for automating the work flow of the consumer forums, starting from case registration until announcement of judgment.

Objective

The project aims at improving operational efficiency, co-ordination, accessibility, speed in judicial administration and to set Information Communication Technology (ICT) infrastructure at Consumer Redressal forums all over India. It aims at providing:

- E- Governance
- Efficiency
- Transparency
- Systematizing of working
- To achieve time bound delivery of justice to the consumers.

Statistics for FY 2020-21

Statistics for FY 2021-22 (up to Aug-2021)

Objective – “e-Daakhil Portal” for Consumer Complaints Redressal

Objectives and Benefits

- The main objective of the portal is to provide a platform to the consumers to lodge their complaints
- The portal functions as a one stop window for easy and quick filing of complaints as per the new Consumer Protection Act, 2019
- The portal aims to cover all the aspects to make it user friendly
- It provides complete transparency about the complaint registration process till its Redressal
- The portal also contains various user manuals and video tutorials making it a user-friendly platform
- Apart from various useful links, consumers/ advocates lodging the complaints can also connect with the help desk in case of any real time issues on the portal.

Launched in the state by
Justice D S Tripathi
President, SCDRC, Uttarakhand
on 15th March, 2021

Key Features

- File new consumer case
- Pay fee online
- e-Notice to concerned complainants and respondents
- Alerts via SMS/Email

Application Flow

World Bank funded Monitoring and Evaluation System of various water supply programs for Peri-Urban areas of state.

Water Billing Portal of Uttarakhand enables consumers pay their bills online and through CSCs

MIS for Peyjal Nigam for Schemes and estimates Monitoring.

Vahan 4 & Sarathi 4

Implementation of National Projects Vahan and Sarathi for availing Vehicle and DL related services.

M-Vahan

Mobile based system to record vehicle fitness by MVI's

Citizen Centric Services

RC Renewal, Duplicate RC, Transfer of Ownership, Change of address, Online Permit, Fitness, LL/DL, Pay Tax, etc

Fancy No. Auctioning

Fancy no. auctioning and booking system for availing fancy mark of registration.

Services through CSC's

Vahan/ Sarathi online services through registered CSC's across states with nominal fees.

State level Initiatives

Online Greencard issuance system to vehicles visiting Chardham and capturing Driver/ Conductor/ Cleaner data during covid pandemic.

Dealer Point System

Implementation of Dealer point system at all the Dealerships of Uttarakhand as a part of vehicle registration.

E-Challan

Implemented mobile based enforcement solution at Transport/Traffic dept.

Other implementations

PUC issuance by testing centers and online checkpost for collecting state entry tax.

An integrated platform for the administration, teachers, students, citizens and the other stake holders of school education Uttarakhand

Data Summary

- Implemented: 2016
- Teachers/Employees Profiles: 70000
- Schools :22000
- Controlling Offices: 290
- Students Enrolment : 10 Lakh (approx)

- eService book
- School directory and categorisation
- Transfer module
- School inspection
- Guest Teacher Recruitment
- Teachers Service extension
- Learning & sharing
- Rupantaran
- Teachers Document Verification

Services (Covid 19)

- eContent based teaching.
- Students Admission query
- Websites of Atal Utkrishi Schools (189)

Uttarakhand GST portal has been created which works as a single window for all the dealers in Uttarakhand. The portal facilitates with all the VAT and GST services to the dealers and login based system for the officers to get access to the analytical reports which are used for assessment purpose.

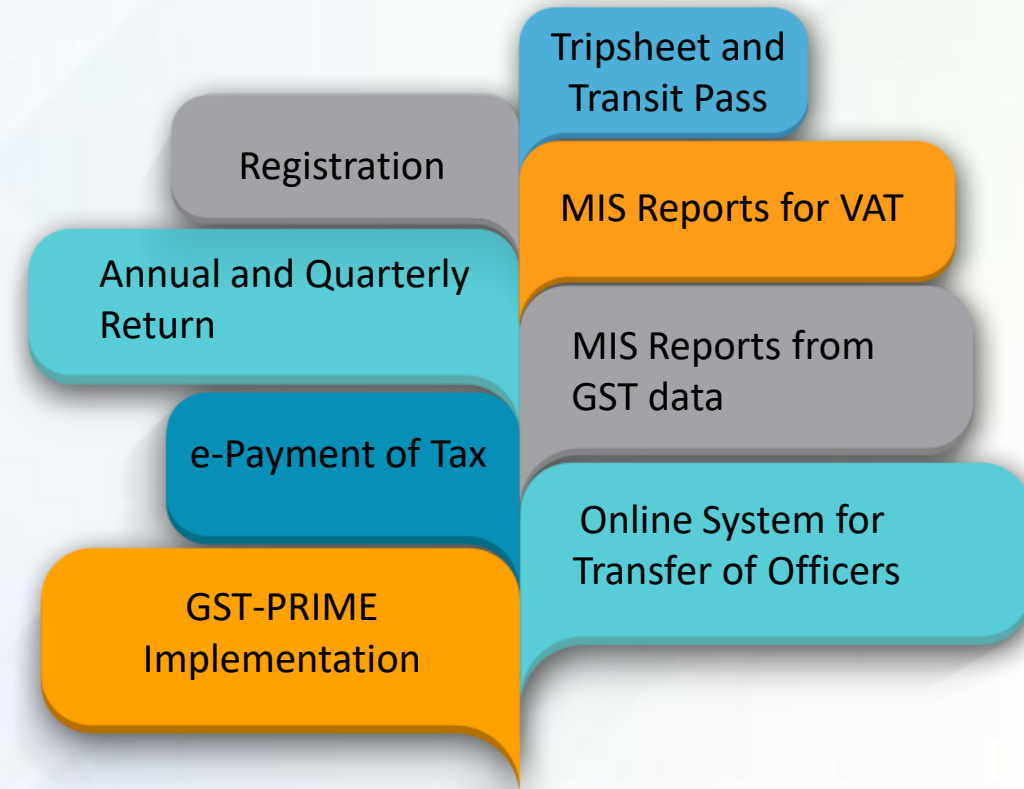

URL : <https://gst.uk.gov.in>

Below are some of reports and modules rolled out :

- Developed a utility to transfer dealer from AC to DC and Vice versa on the basis of their Turnover and for other reason.
- Development of Analytical Reports
- Monitoring System For Joint Commissioner: Joint Commissioner/Review officer's able to see Red Flag Reports of all Jurisdictional officers under his Jurisdiction office. Can also review the action taken by the Jurisdictional officers
- Monitoring System For Commissioner: Entire report related to action taken by the Jurisdictional officers and Joint Commissioners is displayed into Commissioner Dashboard, Commissioner can review Jurisdictional officers as well as Joint Commissioners

Stakeholders (Incl. Citizens, Department):

Officers of the Department, VAT Dealers and GST dealers

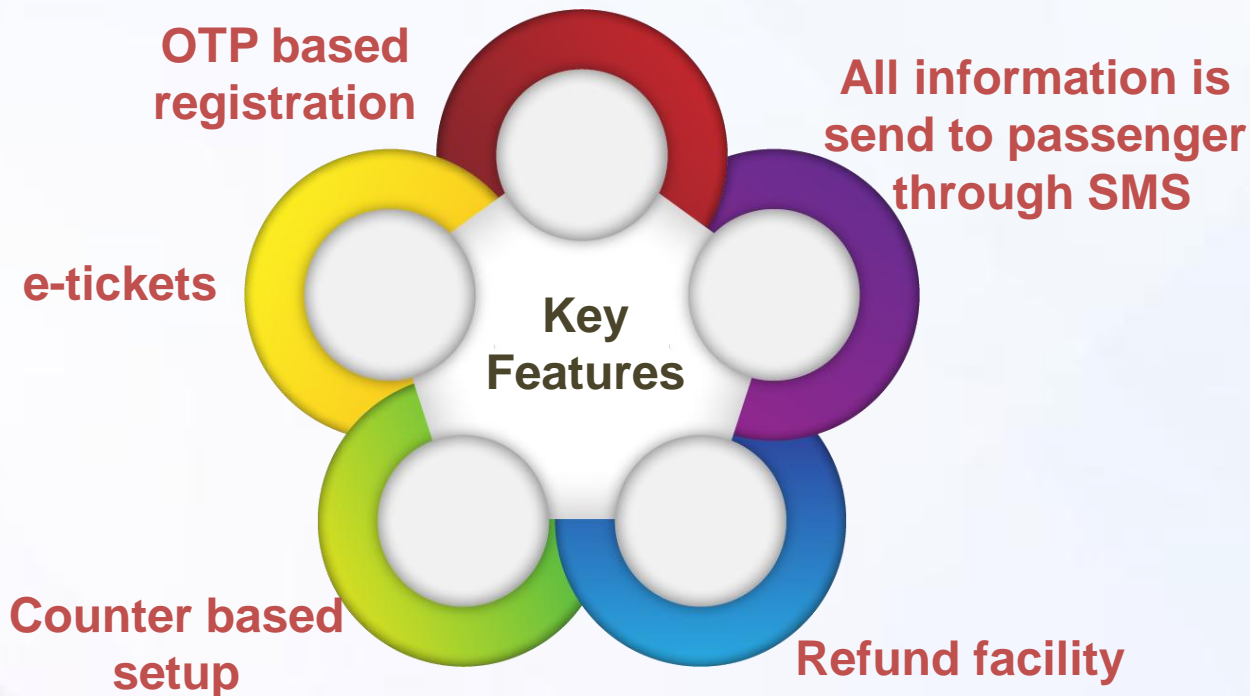

Services delivered till date

This portal was **design and developed to** facilitate the pilgrimages heading towards Kedarnath as now they can book the helicopter tickets online from this website at one rate for any operators. Tickets can be booked to and from the helipads at Guptkashi, Phata and Sirsi to Kedarnath.

The **main objective** of the system is to lower down the black marketing as there will be a clarity on the portal about the ticket availability and the fare from all the helipads.

Mobile Application - QR code Verification of the ticket and the boarding passes at the helipads using the mobile app which verifies the data from the web service at the portal.

Stakeholders

- **UCADA** -Super Admin
- **GMVN** - Working and Controlling Agency
- **Operators** - Book tickets and monitor the ticket status
- **Travel Agents** - Book Tickets
- **Citizen** - Can book Tickets

URL : <https://heliservices.uk.gov.in>

This portal was design and developed to facilitate the citizens to register under these schemes online. It is a workflow based system through which the applicant register through our portal and then the application is approved by the DTDO and the information is then send to the respective bank where the amount/ loan is sanction through this portal.

URL : <https://vcsgscheme.uk.gov.in>

Key Features

- Online registration under all the schemes under it.
- Flow based system for all the activities to be performed while processing the scheme registration till the grant of loan.
- SMS services are used to send the status of the application.
- User login for bank to check the application status and perform approval.

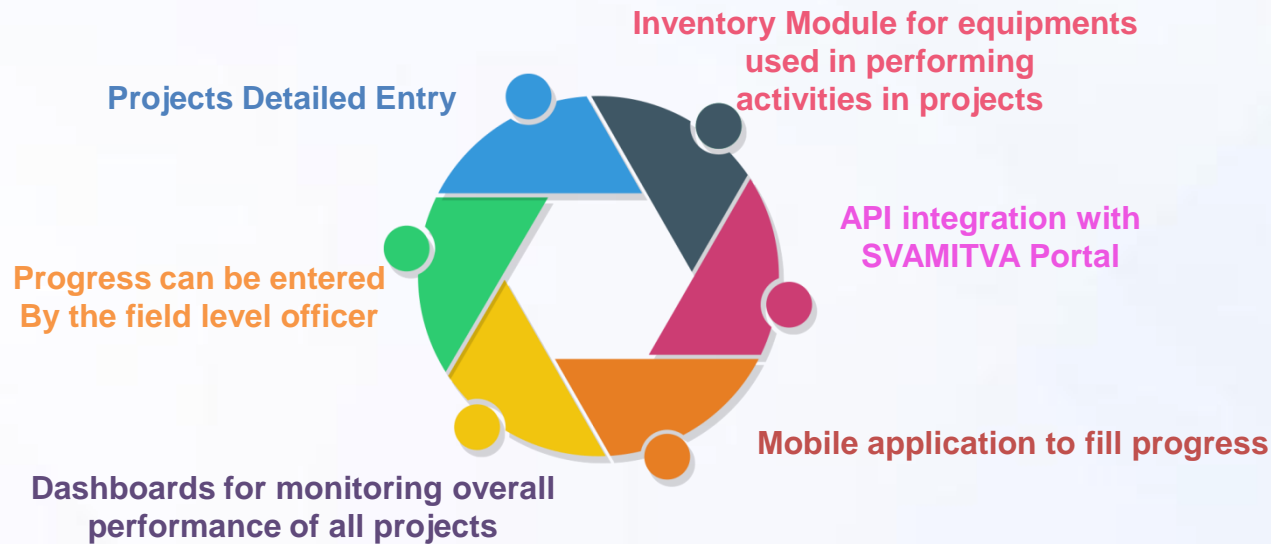

Stakeholders

- Super Admin - Tourism Department
- DTDO - District Tourism Development Officer
- DLTFCC - District Level Task Force Committee
- SLBC - State Level Bank Committee
- RBI
- Bank Controlling Head - One for each Banks integrated
- All branches of Banks
- Citizen

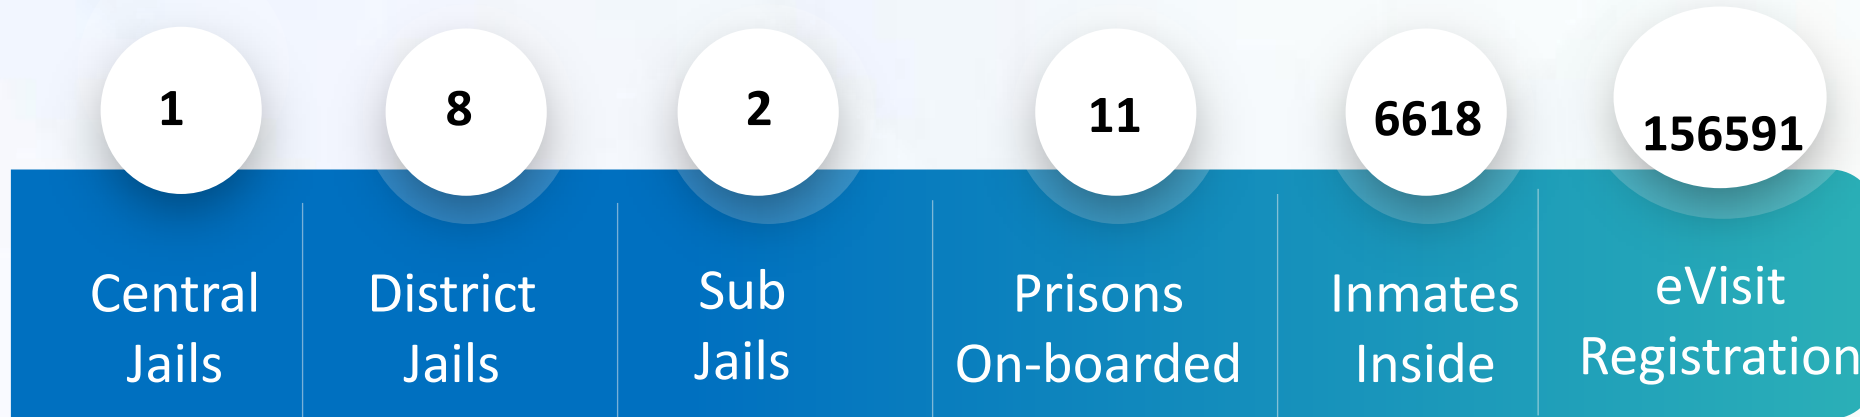

URL : <https://pragati.surveyofindia.gov.in>

It is a workflow based system used by survey of India to monitor the performance of all their activities under every project running in the department. The projects are entered in the system at the headquarter level and then assigned to different GDCs or states. All the Director GDCs can create in-charge of all the activities of the project assigned, further the in-charge assigned the task to multiple operators/officers. Progress is then filled by them. The overall performance/progress is captured and displayed at a dashboard from smooth monitoring.

Hon'ble Prime Minister After announcing new map policy

"It is a massive step. Our government has taken a decision that will provide a huge impetus to Digital India. Liberalising policies governing the acquisition and production of geospatial data is a massive step in our vision for an Atmanirbhar Bharat"

Shri Narendra Modi, Prime Minister of India
