Relevant parts reproduce below:-

Section-3 of EIA Notification, 2006:- State Level Environment Impact Assessment Authority:-

- (1) A State Level Environment Impact Assessment Authority hereinafter referred to as the SEIAA shall be constituted by the Central Government under sub-section (3) of section 3 of the Environment (Protection) Act, 1986 comprising of three Members including a Chairman and a Member –Secretary to be nominated by the State Government or the Union territory Administration concerned.
- (2) The Member-Secretary shall be a serving officer of the concerned State Government or Union territory administration familiar with environmental laws.
- (3) The other two Members shall be either a professional or expert fulfilling the eligibility criteria given in Appendix VI to this notification.
- (4) One of the specified Members in sub-paragraph (3) above who is an expert in the Environmental Impact Assessment process shall be the Chairman of the SEIAA.
- (5) The State Government or Union territory Administration shall forward the names of the Members and the Chairman referred in sub- paragraph 3 to 4 above to the Central Government and the Central Government shall constitute the SEIAA as an authority for the purposes of this notification within thirty days of the date of receipt of the names.
- (6) The non-official Member and the Chairman shall have a fixed term of four years (from the date of the publication of the notification by the Central Government constituting the authority).
 - (6a) *The process for re-constitution of SEIAA shall be initiated by the State Government six months prior to expiry.*
 - (6b) *In addition to the constitution of SEIAA as above, there shall also be a Standing Authority on Environment Impact Assessment (SAEIA) for each State or Union territory which shall be constituted by the Central Government, under sub-section (3) of section 3 of the Environment (Protection) Act, 1986 and shall comprise of ex-officio Members as deemed appropriate. The SAEIA which shall discharge the functions of SEIAA in the event of SEIAA being non-functional due to expiry of its term or on account of any other circumstances for a maximum period of six months in each case subject to another extension of up to maximum period of six months*
- (7) All decisions of the SEIAA shall be unanimous and taken in a meeting.

Section-5 of EIA Notification, 2006 :- Screening, Scoping and Appraisal Committees:-

The same Expert Appraisal Committees (EACs) at the Central Government and SEACs (hereinafter referred to as the (EAC) and (SEAC) at the State or the Union territory level shall screen, scope and appraise projects or activities in Category 'A' and Category 'B' respectively. EAC and SEAC's shall meet at least once every month.

- (a) The composition of the EAC shall be as given in Appendix VI. The SEAC at the State or the Union territory level shall be constituted by the Central Government in consultation with the concerned State Government or the Union territory Administration with identical composition;
- (b) The Central Government may, with the prior concurrence of the concerned State Governments or the Union territory Administrations, constitutes one SEAC for more than one State or Union territory for reasons of administrative convenience and cost;
- (c) The EAC and SEAC shall be reconstituted after every four years;
- (d) The authorized members of the EAC and SEAC, concerned, may inspect any site(s) connected with the project or activity in respect of which the prior environmental clearance is sought, for the purposes of screening or scoping or appraisal, with prior notice of at least seven days to the applicant, who shall provide necessary facilities for the inspection;
- (e) The EAC and SEACs shall function on the principle of collective responsibility. The Chair person shall endeavor to reach a consensus in each case, and if consensus cannot be reached, the view of the majority shall prevail.

"APPENDIX VI

(See paragraph 3 and 5)
