

CHAPTER-3 ELIGIBILITY CRITERIA AND QUALIFICATIONS

3.1 General Eligibility Criteria to appear in AIEEA (PG)-2022

- i. In order to appear in ICAR-AIEEA (PG)-2022, an Indian national candidate must ensure that he/she fulfills the eligibility requirements for the examination as well as admission as detailed in the Information Bulletin. **Applying for AIEEA (PG)-2022, appearing in the examination and qualifying the same does not necessarily mean acceptance of eligibility.** The applicant for a particular Subject must satisfy the eligibility criteria as specified in this Information Bulletin (or its amendments/corrections from time to time).

- No certificates (other than PwD/Category certificate, as applicable) are required to be uploaded along with the online application at the time of online submission.
- The documents/certificates etc., shall be verified directly at the time of admission in the admitting university. In case the candidate is found not-eligible at any stage, his/her candidature would be summarily rejected and admission will be cancelled.

Filling of ICAR quota seats in PG programmes in Agricultural Universities (under the ICAR-AU system) will be permitted only for the programmes, colleges and Universities accredited by the ICAR.

- ii. Candidate should note that for admission to Master's degree programmes through entrance examination conducted by NTA, only the candidates having passed graduation with four/six (12+4/10+6 B.Sc. Ag.) / five years' (B.V.Sc. & AH) / 5½ years (B.V.Sc. & AH) degree programme will be eligible.

For appearing in AIEEA (PG), it would be mandatory for the candidates to have passed out from ICAR-accredited constituent colleges and ICAR-accredited courses/programmes of public funded/Govt. institutions (GoI/State Govt. funded) within or outside ICAR-AU system OR ICAR-accredited Private Agriculture and Allied Science colleges and ICAR-accredited courses/programmes. It would be mandatory for the Private Agriculture and Allied Science colleges to have accreditation from ICAR even if they are affiliated to an ICAR-accredited public funded/Govt. institution (GoI/State Govt. funded) outside ICAR-AU system or AUs (GoI/State Govt. funded) within the ICAR-AU system.

To align with the recommendations made by National Agricultural Education Accreditation Board (NAEAB) in its XXVI Meeting held on 17th September, 2020 and subsequent approval accorded by Governing Body of ICAR in its 251st meeting held on 15.10.2020, the first batch pass out/appeared/appearing students of a graduate programme (UG) in Agriculture & Allied Science subject from public funded/Govt. institutions (within or outside ICAR-AU system) or Private Agriculture and Allied Science colleges which have not been accredited by ICAR (irrespective of the fact whether they have applied to ICAR for accreditation or not shall be exempted from the requirement of ICAR accreditation for appearing in and seeking

admission through AIEEA (PG)-2022 in the current Academic Year/Session (2022-23). This exemption, however, shall not be applicable to the already passed out first batch students or batches subsequent to first batch from these institutions for appearing and seeking admission through the ICAR's AIEEA (PG) to be held in subsequent Academic Sessions until and unless they acquire ICAR-accreditation. For details please refer to the Public Notice No. 1(6)/2018-ExamCell-Pt-4 dated 24 June 2021 available on the ICAR website (www.icar.org.in).

The onus of proving that s(he) has passed out from the first batch of non-ICAR accredited college and programme shall primarily lie with the candidate. The candidate must produce a certificate from the Registrar or an equivalent authority of the concerned institution to this effect for verification by the admitting university.

Further, in case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any Court directives (present or future), ICAR will not be responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The list of ICAR-accredited Govt./State Govt. funded public institutions (including constituent colleges of AUs under the ICAR-AU system) and private Agriculture and Allied Science colleges along with their ICAR-accredited programmes shall be available on ICAR's Counseling portal at the time of AIEEA-2022 online counseling. For ready reference, the list of ICAR-accredited universities, colleges and programmes for admission through AIEEA-2021 is available in public domain at www.icarexam.net.

The list of Govt. (outside ICAR AU system) and private Agricultural Universities/Colleges accredited by ICAR whose candidates are eligible to appear in the AIEEA (PG)-2022 examination is given at Annexure-V-B. The candidates having Bachelor's degree with 3 years' duration will not be considered for admission through ICAR AIEEA (PG)-2022 in AUs under ICAR-AU system except in few courses at two ICAR-Deemed to be Universities (DUs), viz. IARI and NDRI for which the eligibility criteria of the concerned ICAR-DU, including admission of graduates having passed with 3 years' degree, would prevail for admission.

- iii. The Candidate must have passed Bachelor degree examination securing Overall Grade Point Average (OGPA) of at least 6.60/10.00 in ten-point scale, 5.88/9.00 in nine-point scale, 5.22/8.00 in eight point scale, 4.57/7.00 in seven point scale, 3.92/6.00 in six point- scale, 3.25/5.00 in five-point scale, 2.60/4.00 in four-point scale for General, OBC, UPS and EWS categories whereas for SC/ST/PwBD/Third Gender candidates, the said requirement is an OGPA of at least 5.60/10.00, 4.98/9.00 in nine-point scale, 4.42/8.00 in eight point scale, 3.87/7.00 in seven point scale, 3.32/6.00 in six point- scale, 2.75/5.00, 2.20/4.00, respectively. In other cases, where grade points are not awarded and only marks are awarded, the candidate must have secured at least 60% marks for General, OBC, UPS

and EWS categories whereas for SC/ST/ Third Gender /PwBD categories the requirement is 50% marks. (Please note that equivalence between OGPA and % marks will not be acceptable). There will be **no rounding-off of the OGPA/percentage of marks** of qualifying examination while deciding the basic eligibility of any candidate for admission e.g. if a candidate obtained 49.99% marks in his/her qualifying examination, then it will not be rounded-off to 50%.

- iv. For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship before the date of admission/registration in the allotted university.
- v. The candidates must complete the graduate degree in all respects and should have all the degree-completion requirements at the time of Counseling/admission in the university failing which they will not be considered for admission and the award of scholarship. **Please note that ICAR/University will NOT be held responsible for denial of admission to non-eligible candidates.**

Candidates reporting for the admission in the allotted university must have final year/final semester result in hand clearly indicating final OGPA/CGPA or final percentage of marks where grade points are not awarded. Candidates will be required to produce Provisional Degree certificate (PDC) /Degree certificate of qualifying graduate examination issued by the university for this purpose. The candidates who do not have the PDC/Degree certificate, have to mandatorily produce a certificate from the Registrar of the concerned university specifically indicating that **the candidate has fulfilled all the requirements for the award of Bachelor degree. His/her Final OGPA/Percentage of marks at the end of final semester/year along with likely date of issuance of PDC/Degree must be mentioned.** The candidates should note that the university may deny admission in case the PDC is not produced at the time of admission at the university. No correspondence shall be entertained by the Council in this regard.

Candidates passing out during academic year 2022-23 shall be provisionally eligible to appear in AIEEA (PG)-2022 examination along with those already passed out. These candidates may join IVRI, Bareilly; NDRI, Karnal and other AUs, as per their registration/admission schedule during the Academic Session 2022-23; after the counseling is conducted by ICAR.

Since VCI has already issued instructions to Veterinary colleges to finish the Academic year for B.V.Sc. & A.H candidates during the month of December. Therefore, all the State Veterinary Universities (SVUs) and constituent colleges of veterinary sciences under the State Agricultural Universities (SAUs) have to synchronize the start of their Academic Session accordingly. Since the OGPA of such candidates would be available, and internship grades are reflected as satisfactory/unsatisfactory only, they would be deemed provisionally eligible to appear in the ICAR's AIEEA (PG) examination. However, such candidates will be mandatorily required to produce evidence of completion of graduation degree in all respects

including successful completion of Internship training programme at the time of admission/ registration in the allotted university.

The admission of the candidates shall be valid only for the Academic Session in which the examination has been conducted by ICAR.

3.2 Instructions for in-service candidates

1. The in-service candidates will qualify for admission only if they come in the overall merit list of their concerned Subject and produce the Sponsorship Certificate/Declaration by their employer (**Annexure-XVIII**) for verification at the time of counseling.
2. The in-service candidates must be working in ICAR Institutes, ICAR-DUs, SAUs, CAUs, CUs having faculty of agriculture, Central Government/State Government Departments dealing in Agriculture and Allied Sectors and Public Sector Undertakings dealing with Agriculture and Allied Sectors (**Annexure-XIX**).
3. The in-service candidates qualifying for admission will arrange for study leave/leave of the kind due from their respective organizations themselves and ICAR will not intervene in this regard.
4. In-service candidates must retain the computer generated hard copy of confirmation page of the application along with Sponsorship Certificate, in original, for showing to the university officials in the event of their qualifying the examination and recommendation for admission to the concerned university.
5. ***In no case, the computer generated hard copy of confirmation page of the application and Sponsorship Certificate (Declaration by the employer) should be sent by the candidate either to NTA or ICAR.***
6. The counselling of in-service candidates seeking admission on seats reserved for the purpose at ICAR-DUs (ICAR-IARI, ICAR-IVRI, ICAR-NDRI and ICAR-CIFE) will be done at respective ICAR-DU level only. Such candidates are, therefore, advised to remain in touch with the respective ICAR-DU's website for further details such as no. of seats, eligibility requirements, counselling schedule, etc.

* Subject to seats given by AUs.

Note:

1. Candidate must fulfill the eligibility conditions as indicated above. They are generally eligible for pursuing Master Degree in the subject in which they have passed their graduation.
2. For admission in Master degree courses under ICAR-AU system, candidate must have four years Bachelor degree in Agriculture, Horticulture, Forestry, Fisheries Science, Home Science etc., after 10+2 or equivalent or 10+6 examination or five / 5½ years B.V.Sc.&A.H. Candidate should also note that for admission to Master's degree programmes through entrance examination conducted by ICAR, only the candidates having passed graduation from any public funded/Govt. institution accredited by ICAR will be eligible. Candidates passed out from public funded/Govt. institution or private Agricultural Universities/Colleges not accredited by ICAR, even though affiliated to public funded/Govt. institutions are not eligible for admission through this examination. For details please refer to the Public Notice 1(6)/2018-Exam Cell-Pt-IV dated 24 June, 2021 available on the ICAR website (www.icar.org.in). The candidates having passed Bachelor's degree with 3 years' duration will not be considered for admission through AIEEA (PG)-2022 in accredited AUs under ICAR-AU system except in few courses at two ICAR-DUs namely IARI, NDRI, for which the eligibility criteria of the concerned ICAR-DU, including admission of graduates having passed with 3 years' degree, would prevail for admission provided above prescribed accreditation requirements are met. Master degree programme for graduates from non-agricultural stream would be of three years duration, the first year of which will be exclusively for remedial courses introductory agriculture and orientation programmes.
3. Candidates declared eligible for registration and choice filling for counseling/allotment of seat, may seek admission only during the session for which examination has been conducted. They are not entitled to claim for admission in other sessions/subsequent years based on this year's examination.

3.4 Age Limit

Indian Nationals not below 19 years as on 31.08.2022 are eligible to appear in the examination. No relaxation is permissible regarding the minimum age limit.
