	<a href="#">9. HUMANITIES stream Analysis</a>	<a href="#">10. VOCATIONAL stream Analysis</a>

Assistant Commissioner

Deputy Commissioner

**Guideline**

- Result Analysis conducted purely based on the result file obtained from CBSE (without any manual typing or calculation).
- Boys / Girls details are taken from CBSE result file
- Roll Numbers are divided into Section, Stream and Shift based on the details you had submitted earlier to us. Wherever section was not available, by default it was considered as A section.
- Provision to type some of the fields is provided wherever the information is not available in CBSE result file.
- Overall Toppers of both X & XII are identified by considering **first 5 main subjects** of the students (by excluding optional 6<sup>th</sup> Subject)
- Password to edit the excel sheets is provided by email.

**P.I. Calculation logic as per the guideline from KVS HQ**

- Scenario 1:** Normal case: If child appeared only in 5 subject - consider all 5 subjects
- Scenario 2:** If child appeared in 6 Subjects and none of these is Physical Education - then consider Best 5 Subjects.
- Scenario 3:** If child appeared in 6 Subjects and one of the subjects is Physical Education
- Child failed in one of the Six subjects - then consider Best 5 subjects even if one is Physical Education.
  - Child passed in all 6 Subjects - then exclude Physical Education and take remaining 5 subjects. (Exclude Phy. Edn, even if child got 100% in Phy. Edn.)
