

PM SHRI K V VIKASPURI

The modern state of quality education highly emphasizes competitions. If the students develop such skills from a young age, it helps them to face future challenges confidently. The olympiad exams are a good platform to prepare the students for such competitions by enhancing their logical reasoning and critical thinking. In PM Shri KV, Vikaspuri also many olympiads are organised such as SOF, Green olympiad and Aryabhata Ganit Challenge olympiad. Every year many students take part very enthusiastically and win medals as well as cash prizes. Number of participants took part in the session 2023-24 is as follows:

Maths Olympiad= 110

Science Olympiad= 75

English Olympiad =55

In maths Olympiad 20 students won Gold medals, in Science 15 students won Gold medals and in English 12 students won Gold medals. Gatik* *Solanki of class XI A won Gold medal of Excellence in Maths as well as in Science

*12 students appeared for 2nd level and received certificates.

Many teachers are also awarded Certificate of appreciation for their contribution in motivating and guiding the students.
