PM SHRI NEWSLETTER

It gives us immense pleasure to present the PM SHRI Newsletter of PM SHRI Kendriya Vidyalaya, Pasighat, a reflection of our school's vibrant activities, achievements, and collective spirit of excellence. This newsletter serves as a mirror to the diverse and dynamic learning experiences that shape the holistic development of our students.

We express our heartfelt gratitude to our respected Deputy Commissioner, RO Tinsukia, our Principal, the staff members, and all students for their continuous support and contribution in making this publication a success.

May this newsletter continue to inspire us all to strive for excellence, celebrate creativity, and move forward with the spirit of learning and service.

At PM SHRI KV Pasighat, we believe that education goes beyond textbooks — it nurtures creativity, curiosity, and character. The newsletter captures this very essence through glimpses of academic accomplishments, co-curricular events, community outreach programmes, and innovative initiatives undertaken by both students and teachers.

We take pride in being a part of the PM SHRI Mission, which envisions schools as centres of joyful learning, sustainability, and holistic education. Each page of this newsletter is a testament to the dedication, teamwork, and enthusiasm that define our institution.

TEACHING LEARNING MATERIALS : BALVATIKA III TO CLASS V

Various Teaching-Learning Materials (TLM) were prepared and used for students from Balvatika-III to Class V to make classroom learning more engaging and activity-based. The materials included mathematical shapes, word-formation activities, mask making, Jadui Pitara, model making, and other creative learning resources.

These activities encouraged hands-on learning, creativity, conceptual understanding, and active participation among young learners. The use of locally prepared and child-friendly TLMs made the teaching-learning process more joyful and effective.

Eco Club Activities

The Eco Club of PM SHRI Kendriya Vidyalaya Pasighat undertook various activities during the academic session 2026–27 to promote environmental awareness and responsible citizenship among students. Several meaningful activities were organized, including Jal Pakhwada, a Water Conservation Workshop, Ek Ped Ma Ke Naam, and student awareness programmes on ecosystems and environmental sustainability. Through these activities, students were encouraged to understand the importance of water conservation, biodiversity, ecological balance, and sustainable practices. The club activities provided students with opportunities for experiential learning and active participation in environmental protection. They also helped develop a sense of responsibility towards nature and encouraged students to adopt eco-friendly practices in their daily lives. Overall, the Eco Club activities contributed significantly to creating environmentally conscious and responsible learners.

PM SHRI NEWSLETTER

SCIENCE KIT

To encourage experiential learning and strengthen scientific understanding among students, PM SHRI Kendriya Vidyalaya, Pasighat successfully introduced and utilized Science Kits across various classes. This initiative aligns closely with the vision of the National Education Policy (NEP) 2020, which emphasizes hands-on learning, curiosity-driven exploration, and competency-based education. The purpose of using the Science Kit was to make classroom teaching more interactive, practical, and concept-oriented. The kits included simple and safe materials for conducting experiments related to topics like magnetism, electricity, light, human anatomy, and environmental studies. Students actively participated in performing demonstrations and experiments under the supervision of their science teachers.

The significance of these kits lies in bridging the gap between theory and practice. They provided students with real-life experiences that helped them understand scientific principles more deeply. The activity-based learning approach fostered critical thinking, observation, and problem-solving skills, helping learners connect textbook concepts with real-world applications. The initiative received positive feedback from both students and teachers. Students expressed enthusiasm for learning science through experiments, while teachers appreciated the ease and effectiveness the kits brought to classroom instruction. The use of these kits also promoted teamwork, creativity, and scientific temper among the learners.

PM SHRI NEWSLETTER

MATHS KIT

In line with the vision of experiential and activity-based learning promoted under the National Education Policy (NEP) 2020, PM SHRI Kendriya Vidyalaya, Pasighat has successfully availed and implemented the use of Mathematics Kits for students across various classes. The initiative aimed to make mathematics learning more interactive, engaging, and concept-driven rather than memorization-based. The purpose of introducing the Mathematics Kit was to provide students with hands-on experience in learning abstract mathematical concepts such as geometry, fractions, measurement, and algebra. The kit included manipulatives like number cards, abacus, fraction discs, geometric shapes, and measuring tools that helped students visualize and practically apply what they learned in textbooks.

PM SHRI NEWSLETTER

COLOURFUL DUSTBINS

Colour-coded dustbins have been placed at PM SHRI Kendriya Vidyalaya Pasighat to promote proper waste segregation and cleanliness. Students and staff are encouraged to dispose of waste in the appropriate bins according to the type of waste. The initiative has helped create awareness about clean surroundings, responsible waste management, and environmental sustainability among students. It also promotes the habit of keeping the school campus clean and hygienic.

PM SHRI NEWSLETTER

BAGLESS DAYS

Bagless Day activities were conducted at PM SHRI Kendriya Vidyalaya Pasighat during April, June, July, and August 2026. The activities aimed to provide students with joyful, experiential, and skill-based learning beyond the regular classroom.

Various activities such as Yoga performances, educational movie screenings, documentaries on social activists and national heroes, painting competitions, and classroom decoration were organized. These activities promoted creativity, awareness, physical well-being, teamwork, and holistic development among students.

The Bagless Day programme provided students with meaningful learning experiences in an engaging and enjoyable environment.

LEARNING ENRICHMENT PROGRAMME (LEP)

The Learning Enrichment Programme (LEP) was effectively implemented at PM SHRI Kendriya Vidyalaya, Pasighat to ensure that every student attains the Minimum Learning Level (MLL) as envisioned under the National Education Policy (NEP) 2020. The programme focuses on bridging learning gaps, supporting slow learners, and providing enrichment opportunities to advanced learners.

Under this initiative, subject-specific support materials, worksheets, practice books, and competency-based activities were designed and provided according to the learning categories of students. Teachers adopted a variety of remedial and interactive teaching strategies, such as peer learning, group discussions, activity-based learning, and regular assessments, to make the process engaging and effective.

The primary purpose of the Learning Enrichment Programme is to ensure that every child achieves foundational competencies in literacy, numeracy, and subject understanding. It also aims to build confidence, curiosity, and a love for learning among students.

Parent-Teacher Meeting

A Parent-Teacher Meeting was organized at PM SHRI Kendriya Vidyalaya Pasighat on 13 August 2026. The meeting provided an opportunity for meaningful interaction among the Principal, teachers, and parents.

A special interaction session between the Principal and parents was conducted, during which academic progress, attendance, discipline, and overall development of students were discussed. The result analysis was also shared, with special emphasis on the performance of students of Classes X and XII. Parents were apprised of the academic expectations and the need for regular study, attendance, and consistent preparation for the Board examinations.

Teachers discussed the individual progress of students and suggested suitable measures for improvement. Parents actively participated and shared their feedback and concerns. The meeting concluded with a commitment to strengthen cooperation between the school and parents for the holistic development and academic success of the students.

Independence Day Celebration – 2026

PM SHRI Kendriya Vidyalaya Pasighat celebrated the 80th Independence Day with great enthusiasm and patriotic spirit on 15 August 2026. The programme commenced with the hoisting of the National Flag by the Principal, followed by the National Anthem.

A vibrant cultural programme was presented by the students, comprising patriotic dances and songs, classical dances, and traditional instrumental performances. Socially relevant dramas on the POCSO Act and Girl Child Education were also presented, spreading awareness about child safety, rights, education, and empowerment. The Principal addressed the gathering and highlighted the importance of patriotism, responsibility, discipline, and the role of students in nation-building. The programme concluded with the National Song, followed by distribution of refreshments to the students and guests.

The celebration was a meaningful blend of patriotism, cultural expression, social awareness, and national pride.

FORMATION OF CYBER CLUB

On the first day of the Cyber Club, students were introduced to the foundational concepts of cyberspace, internet, and data communication. The session emphasized the growing importance of cyber awareness in our daily lives, especially in an increasingly digital world. Students explored the reasons why understanding cyber safety is crucial—ranging from protecting personal data to identifying online threats. Key terms such as phishing, spamming, and other common cyber threats were introduced, sparking curiosity and discussions among students. The day laid a strong groundwork for upcoming sessions, aiming to equip students with essential knowledge and responsible behavior in the digital space.

Activities Promoting Citizenship Skills and Constitutional Values

As part of the Har Ghar Tiranga campaign, PM SHRI Kendriya Vidyalaya Pasighat organized a special morning assembly on 14 August 2026 to promote patriotism, national unity, and constitutional values. Shri Ramesh Yadav, Deputy Commandant, 136 Battalion, Rapid Action Force (RAF), CRPF, along with around 200 RAF personnel, attended the assembly.

The programme featured a mass singing of "Vande Mataram", in which students, teachers, and RAF personnel participated with great enthusiasm. The activity fostered a sense of national pride, unity, discipline, respect for national symbols, and responsible citizenship among students.

The programme served as a meaningful initiative to strengthen constitutional values, civic responsibility, and the spirit of national integration among the school community.

21ST CENTURY LEARNING AND INFORMATION SKILLS

To equip students with essential skills for the modern world, PM SHRI Kendriya Vidyalaya, Pasighat organized a series of activities under the theme "21st Century Learning Skills". The initiatives aimed to develop critical thinking, creativity, communication, collaboration, digital literacy, and a spirit of innovation among learners, in alignment with the National Education Policy (NEP) 2020.

The activities included a wide range of interactive and skill-oriented programmes such as a Debate on Media Literacy, Speech Competition, Quiz Competition on Artificial Intelligence (AI), Digital Appliances, and KVS, Drama Enactment on Science and Technology, and an IT Awareness Course for students.

The Debate on Media Literacy helped students understand the importance of identifying credible information and avoiding misinformation in the digital age. Participants showcased excellent analytical and reasoning abilities, engaging in healthy discussions about responsible media use.

ACTIVITY PROMOTING GREEN SCHOOL

Under the PM SHRI initiative, Kendriya Vidyalaya Pasighat organized an awareness and action-based activity on “Green School for Sustainable Living” to instill environmental consciousness and sustainable habits among students. The objective of this program was to promote eco-friendly practices within the school campus and encourage students to become active contributors to environmental protection.

As part of the activity, students participated in plantation drives, waste segregation campaigns, and poster-making sessions highlighting themes like Reduce, Reuse, Recycle and Say No to Plastic. They also took part in interactive discussions on topics such as renewable energy, water conservation, biodiversity protection, and clean surroundings. Teachers guided students to identify small yet impactful steps they could adopt in daily life to reduce their ecological footprint.

The activity not only created awareness but also inspired behavioral change and responsibility towards nature. Students pledged to adopt green habits such as saving electricity, avoiding single-use plastic, and maintaining cleanliness. The initiative successfully reflected the vision of the PM SHRI Scheme, fostering a green, clean, and sustainable learning environment and preparing students to be responsible stewards of the planet.

MENTAL HEALTH AWARENESS PROGRAMME

A Mental Health Awareness Programme was successfully conducted on 9 February 2026 at PM SHRI Kendriya Vidyalaya, Pasighat with the objective of sensitizing students about the importance of mental well-being and emotional health. The programme was organized for students of Classes VI, VII and VIII, and a total of 109 students actively participated in it. The Chief Speaker for the session was Shri Samrat Deb, Clinical Psychologist (RCI), bearing CRR No. AI01449.

During the interactive session, Shri Samrat Deb explained various mental health issues commonly faced by adolescents, such as stress, anxiety, fear, anger, and low self-esteem. He emphasized that mental health is as important as physical health and encouraged students to talk openly about their feelings instead of suppressing them. He also guided students on simple ways to maintain good mental health, including positive thinking, regular exercise, healthy sleep habits, and seeking help from trusted adults when needed. Students listened attentively and participated with great interest. They gained valuable knowledge about identifying emotional problems and understanding the need for empathy and support towards others facing mental health challenges. The programme proved to be highly informative and beneficial. It helped students become more aware of their emotions and taught them practical ways to manage stress and maintain mental well-being. The school extends its sincere gratitude to Shri Samrat Deb for his insightful and motivating session. The programme concluded with a vote of thanks and appreciation for the resource person and organizers.

EDUCATIONAL EXPOSURE VISIT

An Educational Exposure Visit was organized on 23 February 2026 to the RIWATCH Museum at Khinjili Village, near Roing, Lower Dibang Valley, Arunachal Pradesh. The visit provided students with an opportunity to learn about the rich cultural heritage, traditional lifestyle, indigenous knowledge, and biodiversity of the region. Students explored the museum and observed various artefacts and exhibits related to the indigenous communities of Arunachal Pradesh. The visit offered valuable experiential learning and helped students develop greater appreciation for the region's cultural and natural heritage. The educational exposure was informative, engaging, and enriching for the students.

ORGANIZE SWACHHTA PAKHWAD CLEANUP DRIVES

Under the PM SHRI initiative, Kendriya Vidyalaya Pasighat organized a comprehensive Cleanliness Drive as part of the Swachhta Pakhwada celebrations. The campaign aimed to promote clean habits, environmental responsibility, and community participation among students, teachers, and parents.

The event began with a school campus cleanliness drive, where students enthusiastically participated in cleaning classrooms, corridors, and school surroundings. Teachers and Eco-Club members guided students on proper waste segregation and hygiene practices. Following this, a special cleanliness drive was conducted at the river bank, where students, teachers, and parents joined hands to clean the area and spread awareness about the importance of maintaining cleanliness around water bodies.

The joint participation of parents, teachers, and students made the drive a true reflection of community cooperation and environmental stewardship. The activity successfully instilled a sense of pride and responsibility towards maintaining cleanliness and preserving natural resources. The event reinforced the spirit of Swachh Bharat Abhiyan and strengthened the school's commitment towards creating a clean, green, and sustainable environment in line with the PM SHRI Green School objectives.

PM SHRI NEWSLETTER

LED LIGHT

As part of the PM SHRI initiative, Kendriya Vidyalaya Pasighat implemented an LED Lighting Installation Drive to promote energy conservation, sustainability, and eco-friendly campus development. The objective of this initiative was to replace traditional lighting systems with modern, energy-efficient LED fixtures that offer better illumination, lower power consumption, and a longer lifespan.

The installation of LED lights has brought about a visible transformation in the school's environment, enhancing brightness and visibility in classrooms, laboratories, corridors, and outdoor spaces. This initiative has also led to a significant reduction in electricity usage and maintenance costs, contributing to the school's commitment to environmental protection and cost-effective operations.

In addition to infrastructure improvement, this activity served as a learning experience for students, who were briefed about the benefits of renewable and efficient energy sources. Students actively participated in awareness sessions and created posters highlighting the importance of reducing carbon footprints and adopting green technologies.

ADOLESCENT GIRLS PROGRAM

An Adolescence Girl Programme was organized at PM SHRI Kendriya Vidyalaya Pasighat on 23 April 2026 to create awareness among adolescent girls about health, nutrition, hygiene, and overall well-being.

The programme was conducted by Dr. Th. Eloni Vida, Subject Matter Specialist (Home Science), Krishi Vigyan Kendra, East Siang, CAU (I). She interacted with the students and sensitized them about the physical, emotional, and nutritional changes during adolescence. Emphasis was also laid on maintaining personal hygiene, following a balanced diet, and adopting healthy lifestyle practices. The interactive session was informative and engaging. Students actively participated and clarified their queries, gaining useful knowledge for maintaining their health and well-being.

The programme successfully contributed to the holistic development and health awareness of adolescent girls.

Self-Defence Training Programme

A Self-Defence Training Programme for girl students was successfully organized at PM SHRI Kendriya Vidyalaya, Pasighat with the objective of empowering girls with essential safety skills and confidence to protect themselves in challenging situations. A total of 153 girls from various classes enthusiastically participated in the training.

The programme was inaugurated by the Principal, who emphasized the importance of self-defence as a life skill that promotes courage, discipline, and self-respect among young girls. The resource persons conducted practical sessions demonstrating simple yet effective self-defence techniques and awareness strategies that can be used in day-to-day life.

EPILOGUE

As we bring this edition of the PM SHRI Newsletter to a close, we reflect with immense pride on the achievements, events, and milestones that have shaped our journey at PM SHRI Kendriya Vidyalaya Pasighat. Each article, report, and photograph in these pages echoes the spirit of teamwork, dedication, and learning that define our Vidyalaya community.

This newsletter is more than a collection of activities—it is a celebration of our students' creativity, teachers' commitment, and the school's continuous stride towards excellence in education and holistic development. It mirrors our collective vision of nurturing young minds who are curious, compassionate, and confident to face the challenges of the future.

We extend heartfelt gratitude to our Principal, teachers, students, and staff members for their support and contribution in making this publication a success. Their enthusiasm and effort have transformed simple moments into memorable milestones.

As we turn the final page, we look forward to many more inspiring stories and accomplishments in the coming editions. May our journey of learning and growth continue with the same zeal and positivity that fill the corridors of our Vidyalaya.

With warm regards and renewed hope,

Pallabi Choudhury

— PM SHRI Incharge
