

PM SHRI KV VIKASPURI SHIFT – II

EK BHARAT SHRESHTHA BHARAT :

Promoting Unity in Diversity

Ek Bharat Shreshtha Bharat (EBSB) is an initiative aimed at strengthening the spirit of national unity and fostering a deeper understanding of India's rich cultural diversity. The programme encourages students to learn about the language, literature, traditions, art, music, dance, cuisine, history and heritage of different parts of the country. It provides opportunities for students to appreciate the cultural similarities and differences that make India a vibrant and diverse nation.

At **PM SHRI Kendriya Vidyalaya Vikaspuri**, various activities are organized under the theme of *Ek Bharat Shreshtha Bharat* to create awareness among students about the cultural heritage of different States and Union Territories. Students actively participate in activities such as cultural presentations, folk dances, traditional songs, drawing and painting, quizzes, essay writing, storytelling, poster making, exhibitions and presentations on the paired State/Union Territory.
