

# KV NAD VISAKHAPATNAM LIBRARY

The library is the place where people come together to learn and gain knowledge. Books are arranged on large bookshelves. Books belonging to similar genres are arranged on the same shelf in this library. Good readers prefer books to read in their physical form as they cherish the quality of pages, type of writing, and the authenticity of book covers. Thus, the library plays an important role in the student's as well as adults' life. Our school allots specific hours for students to visit and read books from the library so that they can induce reading habits from childhood itself. Students also refer to books from the library to complete their assignments or summer vacation homework.

Currently **5428 books** are available in our school library, out of which 69 books have just been added and in these books **3220** English **2208** Hindi medium. 3 newspapers and 10 magazine subscriptions in our library (weekly, monthly). Readers club have been made in our school library. Our library has Wi-Fi and also uses a projector facility. Our library is well furnished and suitable for study. Library blogs used in our library and its address is <https://kvnadvsp.blogspot.com/?m=1> There are set rules and regulations of the library. Generally, we are not allowed to talk so that readers won't get distracted and lose their pace of reading. Besides that, if any book issued from the library gets misplaced, damaged, or lost from the borrower then, he/she has to pay a fine to the librarian. Thus, our library is an excellent resource for books that spread knowledge and information along with entertainment.
