PRIMARY NEWS LETTER

MESSAGE

Education aims at the overall development of a child. If a child is trained properly during the formative years, it will go a long way in shaping the future of the child in the right direction. It gives me immense pleasure to announce that at Kendriya Vidyalaya NAD Visakhapatnam, continuous teamwork goes on to fulfill this goal. This Newsletter showcases the activities of the tiny tots of the primary section following the guiding principles of NEP-2020 in letter and spirit.
