	5. Learn multiplication tables 1-20.
	Make a photo album of 10 diiferent tourist places in India and collect information about these.
TWAU	TASK 1.BE A WATER SAVIOUR
	Water is a natural resource that we derive from the Earth. Without it, we would not be able to live! Imagine a world with no water at all. You wouldn't be able to drink, bathe, wash clothes and so on. Without clean water, other creatures, such as plants, animals, birds and ocean life would also get sick and die. Saving water is the need of the hour. Do you know that as kids you can play a big role in water conservation campaign?
	In order to create awareness for saving water,

•Make two book marks on "Save Water" theme by your own imagination.

Task 2.Let's Go Green

How exciting it is to see a plant growing when you grow it with your little hands!

The hobby of gardening is good for health, fitness and recreation. It involves physical activity in open air. We get immense pleasure from the sight of flowers, plants, leaves and fruits.

This summer, let's become gardeners and learn about some farming als

Have fun growing a plant .You can grow a plant (herbs such as mint, coriander, lettuce, ornamental plants, air purifier plants etc.) in used coconut shells, discarded plastic bottles, jugs, broken coffee mugs etc

Create a planter using any old can or plastic bottles and decorate with any recycled materials. Some of the examples are given below

- Let's Be a Reporter Interview two elders (grandparents , neighbours) and ask
- * How was life when they were children?
- (Games, travel, school, food)
- * Write their experience in 8 -10 sentences
