A WORD FROM THE PRINCIPAL

MR. VIMAL KUMAR

I feel deeply overwhelmed as I pen down my thoughts for the school magazine.

This message is dedicated to KV Rangapahar Cantt—a school still in its budding stage, yet full of promise. In just a few years of my stewardship, I have come to believe that this institution is poised to set remarkable milestones in the near future, thanks to its dedicated students, committed teachers, and ever-supportive parents.

Excellence is an art acquired through training and habituation. We do not act rightly because we possess virtue or excellence; rather, we develop those qualities because we choose to act rightly.

The true aim of Kendriya Vidyalaya is to nurture responsible citizens, not merely successful professionals. So, strive with sincerity and purpose to become worthy citizens of this great nation.
