

PM SHRI KV INS KALINGA

Jal Pakhwada Celebrations-2025

Principal Message

Good morning everyone,
Respected teachers, dear students, and esteemed guests,

It gives me immense pleasure to speak on the occasion of today's awareness program on the **Jal Jeevan Mission**, a vital initiative launched by the Government of India with a noble vision — **to provide safe and adequate drinking water through individual household tap connections by 2024** to all rural households.

Water is life. Yet, for millions in our country, access to clean drinking water has been a daily challenge. This mission is not just about infrastructure — it is about dignity, health, education, and the empowerment of every citizen, especially women and children, who are often the most affected by the lack of basic water facilities.

As a school, we have a key role to play. Our students are the future, and instilling awareness in them today ensures a better tomorrow. Let us take inspiration from this mission to promote water conservation, rainwater harvesting, and responsible usage of this precious resource in our school and at home.

I urge each one of you to be water warriors. Let's spread awareness in our communities, reduce wastage, and protect our natural water bodies.

Let us pledge to be part of the change — because every drop counts.

Thank you, and Jai Hind!
