**Encls** :- (As above)

## SAFETY CERTIFICATE OF KV SCHOOL BUILDING AT INS KALINGA

1. As per the request of the Principal, KV INS Kalinga, Bheemunipatnam and with reference to letter No 1502116/KV KLG/2024-25/School Building dated 18 Nov 2025. I personally visited 'KV INS Kalinga and inspected the Vidyalaya building. Based on visually observation, certify that the Vidyalaya building is safe for conducting classes. The Vidyalaya building which was constructed by MES on 1999 structurally strong and stable. Minor cracks/ defects and dampness are seen on walls, but there is no such problem for conducting classes as on date. However, it is recommended that some cracks/ defects and dampness on wall surface may be rectified at the earliest to make the building safe
2. It is also suggested that immediate periodical maintenance work may be carried out under the supervision of qualified Civil Engineer.
3. It is certified that the building of Kendriya Vidyalaya, is safe for conducting classes on date.

Station : Bheemunipatnam

Dated : 24 Nov 2025
