## WORKSHOPS AND TRAINING

### NIPUN LAKSHAY

National Initiative for Proficiency in Reading with Understanding and Numeracy (NIPUN Bharat). The aim of NIPUN Bharat is to enhance the foundational literacy and numeracy skills of all students in India, with a particular focus on early grades.

#### **Its objectives include:**

**Improving Literacy and Numeracy:** To ensure that all students achieve proficiency in reading, writing, and numeracy by the end of class 3

**Early Intervention:** Identifying and addressing learning gaps early in a child's education to prevent them from falling behind.

**Quality Education:** Enhancing the quality of education by providing teachers with training and resources to effectively teach foundational skills.

**Equity and Inclusion:** Ensuring that all children, regardless of background or socio-economic status, have access to quality education and are supported in their learning journey.

**Monitoring and Evaluation:** Regularly assessing students' progress and the effectiveness of interventions to continuously improve the initiative.

#### **Steps taken so far**

Since the launch of the mission the journey of kvsl has been enduring and has tried its best to set strong foundation for NIPUN (FLN) enduring a safe, happy and conducive learning environment for each child.

1 adaptation of Vidya pravesh according to learners' need in classroom for strong foundation of FLN

2 Shift towards toy based, activity based, story telling, ICT integrated learning for making classroom environment conducive for active learning and knowledge creation.

3 . Development of JADUI PITARA an important resource for play based teaching learning material tailored for learning in foundational learning stage.

4 integrated activity based FLN worksheet for grade 1-5

5. 50 hrs Online training organised by CIET has been undertaken by the teachers which has helped to be more equipped with the ongoing technology and various learning resources to help in building strong foundation of mission Nipun fln.
