Sub: summer sports coaching camp 2024

Sir/Madam,

As per the discussions in RSCB meeting agenda point -seven dated 23.04.2024 and as per provisions mentioned vide letter No 110355/01/2022-23/KVS(HQ)/Sports/Summer Coaching camp/1246-1249 dated 24-05-2022, it has been decided to conduct Summer Coaching camps for students from 5<sup>th</sup> June 2024.

As summer coaching camps aid in the enhancement of performance of the Vidyalaya teams and promote health, wellness, and athletic excellence among the students, Principals of KVs which are in isolation (no neighbourhood KVs) are requested to do the needful for the conduct of the Summer Coaching camps in sports in their Vidyalayas. The proposal for the conduct of summer coaching camps should be sent to the regional office on or before 28-04-2024.

In respect of Vidyalayas which are located very close to each other (have other KVs in the neighborhood), It is proposed to organise combined coaching camps for students in the Vidyalayas, in order to reduce the expenditure, to give better exposure to students and to utilise the expertise available in all the participating Vidyalayas, The Vidyalayas may share the events among themselves based on the resources available.

The students residing near any Kendriya Vidyalaya may be allowed to participate in summer coaching camps even he/she is not student of that particular KV.

In this context, the Vidyalaya groups mentioned below have to organise combined coaching camps and proposals for the organisation of summer coaching camps should be sent to the Regional office on or before 28-04-2024 after due consultation with each other in the group (intra group).

It may be noted that willingness of parents must be obtained for participation in the Coaching camps, before sending the proposals.
