## Grandparent's Day

Vidyalaya has celebrated grandparents' day, a great initiative by KVS to celebrate and give recognition to the elders, on 16th of December 2023. The children were encouraged to take care and respect their grandparents.

The elderly guardians were celebrated by songs, dances and many other activities which were prepared by the tiny tots.

## COMMUNITY LUNCH

Vidyalaya has celebrated community lunch on 17th of February. Themes were given to all the children of different classes along with proper guidance and some instructions to prepare lunch dedicated to a particular state or an area that have been appointed to them.

The lunch began with the children offering a prayer to God along with encouraging them to be grateful towards farmers and their parents who were the reason behind the food being on their table.

## Baal Mela
