**PM SHRI KENDRIYA VIDYALAYA
PASCHIM VIHAR, NEW DELHI**

FROM THE PRINCIPAL'S DESK

Dr. SANJAY KUMAR JAISWAL

We; at KV, Paschim Vihar; are always striving to raise the bar in terms of excellence, integrating academics with other co-curricular areas to provide our learners a truly enriching experience in the Vidyalaya. Their wholesome growth is of utmost importance, as we move ahead in times when the educational space is witnessing massive upheavals globally , embracing the virtual mode to connect and interact with each other.

Ergo, it is with immense joy that we put forward this e-magazine which throws light on the hardwork and brilliance of our students as they participate in myriad activities. I would also take this opportunity to congratulate all the teachers who have joined hands in order to bring out this issue of the magazine.

- POEM RECITATION

- PATRIOTIC SONG SINGING

CONTEST

2 . EBSB ACTIVITIES

- BHASHA SANGAM

- youth parliament

- kala utsav

3 . CYBER JAGROOK DIWAS

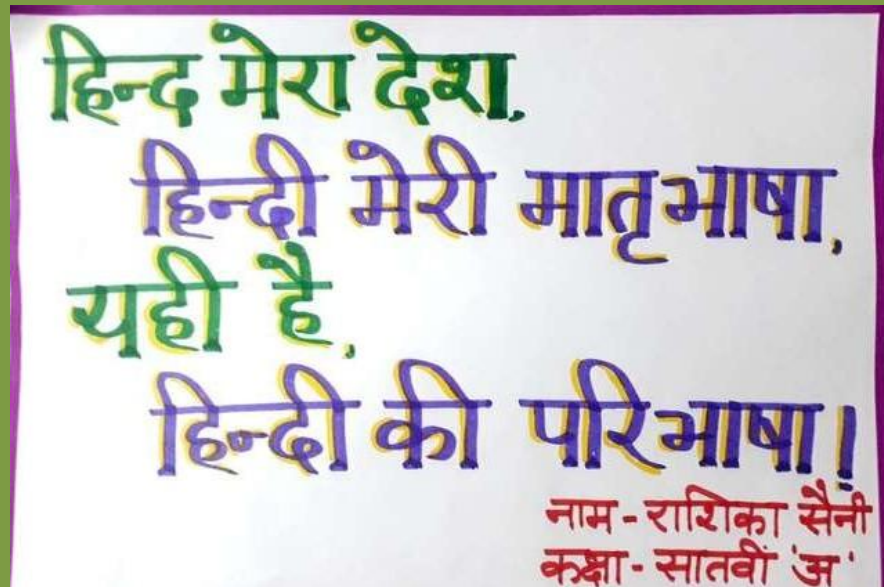

4 . NATIONAL UNITY DAY

SLOGAN WRITING

a platform for students to make a point in few but impactful words!

The enthusiastic students of our Vidyalaya showcased their admiration for the Hindi language by coming up with beautiful slogans, that remind all of us the significance and value of our Rajbhasha.

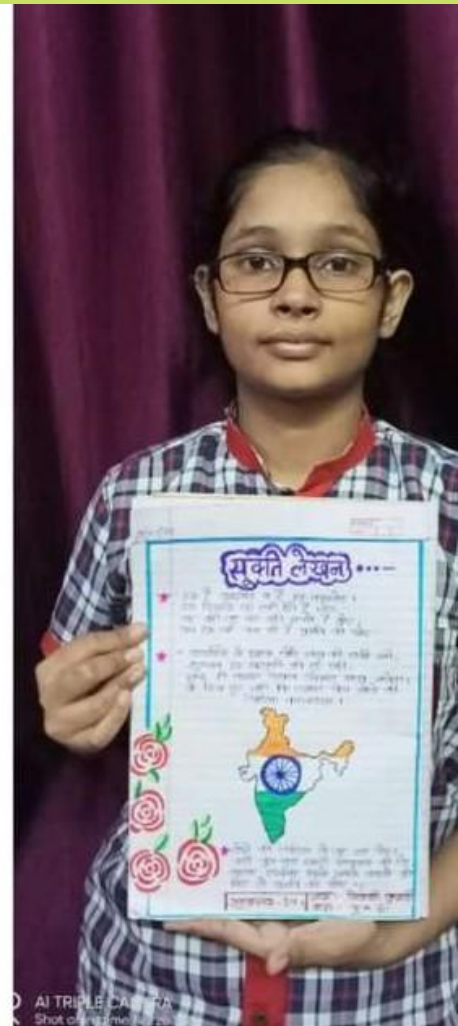

The slogans accompanied with pictures made an impact on fellow learners and teachers alike by effectively conveying the importance of the Hindi language.

STUDENTS' CREATIVE THOUGHTS (SOOKTI LEKHAN)

Students found a channel for their creative thoughts when they eagerly took part in 'Sookti Lekhan' and poetically expressed their ideas about the Hindi language.

They were able to discover their love for the language in the process and encouraged others also with their carefully chosen words to do the same.

STORY NARRATION

Since time immemorial, stories have had a peculiar charm of their own which fascinates the readers/listeners and storytelling is a subtle art that enhances the aura of the narrative. Our students took the stage with varied tales in their very own Hindi language that entertain the audience as well as provide a message to ponder upon.

POEM RECITATION

**Poetry lifts the veil
from the hidden
beauty of the world
and makes familiar
objects be as if they
are not familiar.**

**-Percy Bysshe
Shelley**

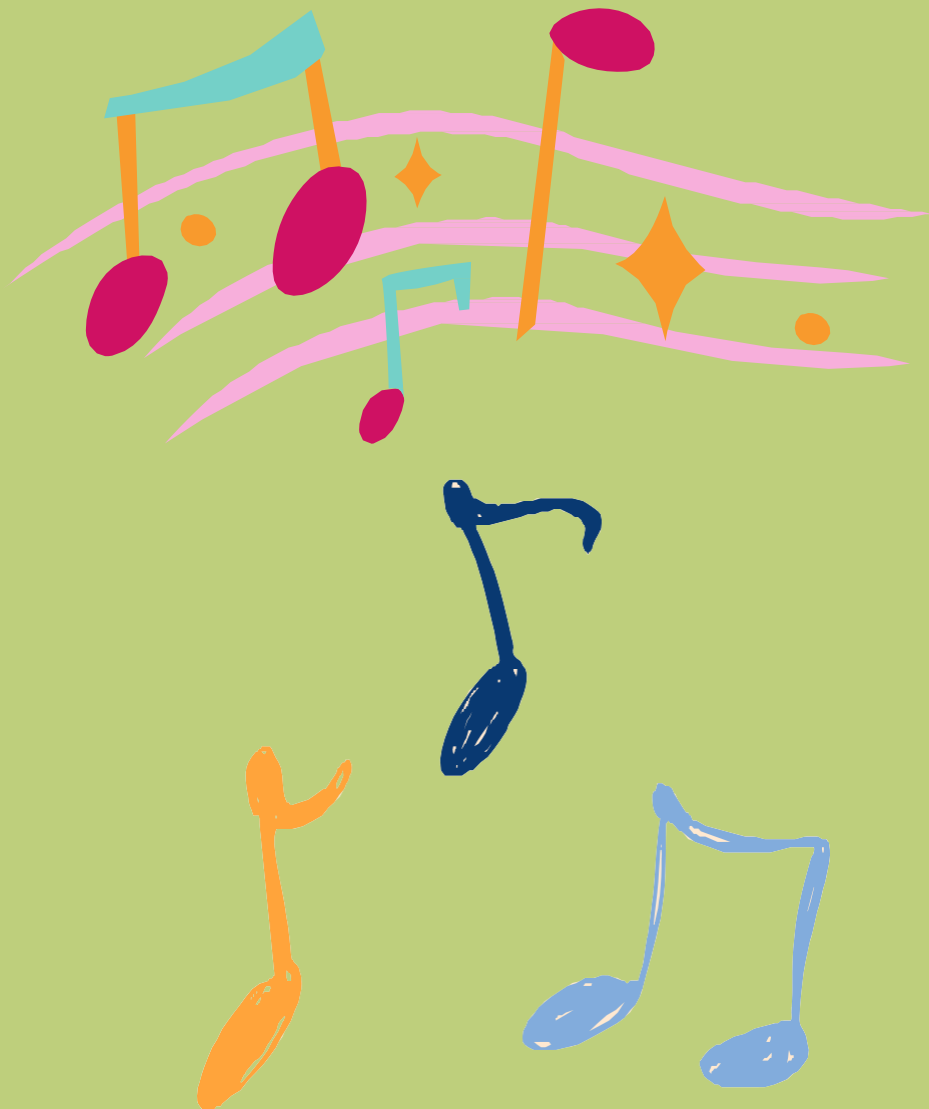

**Verses always tug
at the heartstrings
of those who
engage with it
meaningfully;
whether as a writer,
reader or listener.
Poems in Hindi,
some self-written
and some
otherwise, were
recited by the
students with zeal
as an ode to their**

PATRIOTIC SONG SINGING CONTEST

There is no doubt that love for the motherland runs through the heart of every Indian, as we seek to uphold the cherished ideals our nation is built upon in our respective areas of work.

As a tribute to this spirit, the students of our Vidyalaya mesmerised one and all with their soulful rendition of different patriotic songs.

EK BHARAT SHRESHTHA BHARAT ACTIVITIES ' BHASHA SANGAM '

Under the 'Ek Bharat Shreshtha Bharat Programme', our students actively participate in the multiple activities that are organized every month to know more about various aspects of Sikkim (our paired state), and one such initiative is Bhasha Sangam.

Students become aware of the alphabet of different languages spoken in Sikkim and also get an opportunity to learn phrases, sentences and idioms/proverbs of that language.

CYBER JAGROOK DIWAS

In the present scenario; with students engaging in heightened online activity; it is imperative to sensitize and make them aware about the rules, regulations and risks regarding the virtual world.

They were shown videos on what cyber crimes are and how they can be avoided. Then, a quiz was conducted by students themselves on Cyber Security and Awareness.

The whole initiative was extremely informative and enriching for the students.

NATIONAL UNITY DAY 'OR' RASHTRIYA EKTA DIWAS

Students actively participated in celebrating National Unity Day which falls on 31 October every year, in commemoration of Sardar Vallabhai Patel's untiring efforts at the time of our country's independence to unify the various princely states. They took pledge reinforcing their commitment to always strive for national unity and integrity, following in the footsteps of Sardar Patel.
