From the principal`s desk:

It is my great pleasure to share this issue of our Vidyalaya E-News letter with our esteemed stakeholders and dedicated readers. This edition highlights the recent events, activities, and achievements of our primary and secondary sections over the past quarter. It serves as a platform to showcase the effort of our teachers and talent of students in PM SHRI implementation of activities and co-curricular activities, on one hand and also offering to parents a glimpse into their children`s dynamic school experience on other hand.
