8. Find the sum?

|                                                                                   |   |                                                                                   |   |                      |
|-----------------------------------------------------------------------------------|---|-----------------------------------------------------------------------------------|---|----------------------|
|  | + |  | = | <input type="text"/> |
|  | + |  | = | <input type="text"/> |
|  | + |  | = | <input type="text"/> |
|  | + |  | = | <input type="text"/> |
|  | + |  | = | <input type="text"/> |

9.

**FINISH THE PATTERNS**

Complete the pattern by drawing the next shape

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |  |  |  |  |
|  |  |  |  |  |  |                                                                                       |
|  |  |  |  |  |  |                                                                                       |
|  |  |  |  |  |  |                                                                                       |
|  |  |  |  |  |  |                                                                                       |
