AUTUMN BREAK HOLIDAY HOMEWORK

CLASS XII | GEOGRAPHY

◆ LEARN • MAP • CREATE • PRACTISE ◆

Dear Students,

Make the most of your Autumn Break by revising key concepts, strengthening map skills, and presenting your learning creatively. Complete the following Geography assignments neatly and systematically in your notebook/project file, wherever specified.

01 MAP WORK

Complete the map work prescribed in the CBSE Class XII Geography syllabus. Practise and label all the prescribed features carefully in your Geography notebook. Use appropriate symbols, a sharp pencil, and clear, legible labels.

02 ART-INTEGRATED / INTERDISCIPLINARY PROJECT

Prepare an Art-Integrated Project or Interdisciplinary Project on the topic allotted to you, in accordance with the CBSE Geography syllabus. Present the work creatively with suitable maps, diagrams, illustrations, photographs, and brief explanations. Keep the content relevant and well organised.

03 MONTHLY TEST QUESTION PAPERS — UP TO SEPTEMBER

Write the solutions to all Monthly Test question papers conducted up to September in your Geography notebook. For each answer, write only the heading and/or the important points, as appropriate. Focus on accuracy, key geographical terms, and clear presentation.

04 CBSE SAMPLE QUESTION PAPER 2026–27

Solve the CBSE Class XII Geography Sample Question Paper for the academic session 2026–27 in your notebook. Follow the question numbering and write answers in a clear, exam-ready format.

✦ PRESENTATION CHECKLIST ✦

- Write the date and heading for each task.
- Keep maps, diagrams, and labels neat and accurate.
- Use concise, relevant points and appropriate geographical terminology.
- Check that all four tasks are complete before school reopens.

“Explore the world through maps, ideas and imagination!”
