AUTUMN BREAK HOLIDAY HOMEWORK

Subject: Social Science | Class: VII

Topic: Social Science Discovery Journal

Create a discovery journal by completing the following activities. Present your work neatly and creatively in a scrapbook or project file.

1) History

Write about one historical personality from the chapter *Empires and Kingdoms*. Include the person's name, period, major achievements and contribution to history.

2) Geography

Paste or draw a map of India and label the various types of soils found in India. Add a key/legend to identify each soil type.

3) Civics

Explain any one Constitutional Right with a suitable real-life example. Mention why the right is important.

4) Economics

Write about different types of payments—UPI, credit card, debit card, EMI, cash, etc. Explain how each works and paste or draw relevant pictures.

Have a meaningful and enjoyable autumn break!
