45. Citizenship skills, Constitutional values and knowledge of India

OBJECTIVE:

NEP 2020 focuses on development of constitutional values among the students, enabling them to become rational and capable citizens. The citizenship skills and constitutional values in student's lives help them to become holistic individuals with rational thinking. The objective is to sensitize teachers and students to exhibit and inculcate ethical, human and constitutional values like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice among students. The aim is to help teachers and students imbibe citizenship education in terms of human rights and critical pedagogical approaches; emphasise the environment and its protection, living in harmony with one's natural and social environment; and promote skills for a peaceful and democratic way of life.

ACTIVITIES:
