

NEW BUILDING-

We are delighted to share with you the latest development in our school's journey - the inauguration of our new building at Samera Road, Gram- Mahagaur, Ganj Basoda. This momentous occasion marks a significant step forward in our commitment to providing an exceptional educational experience for our students.

Our new location boasts a modern and spacious facility designed to cater to the diverse needs of our student body. With a student-to-pupil ratio of 32 students to 1 teacher, we ensure that each student receives personalised attention and support, fostering their academic and personal growth.

Behind every successful school is a dedicated team of educators and staff members. At our new building, we are proud to welcome a team of highly qualified teachers, administrators and support staff who are passionate about nurturing young minds and creating a dynamic learning environment.

In addition to our esteemed teaching staff, our support team, including peons, plays a crucial role in ensuring the smooth functioning of our school. Their commitment to maintaining a clean, safe, and conducive learning environment is invaluable to our school community.

As we embark on this new chapter, we invite our students, parents and community members to join us in celebrating the opening of our new building. We look forward to creating unforgettable memories, achieving academic excellence and making a positive impact together in our new home.
