PM SHRI KV2 Pondicherry Students Named Top-50 National Finalists for India-AI Impact Summit 2026

Two brilliant young innovators from PM SHRI KV2, Pondicherry, have secured a place among the Top-50 finalists at the prestigious India-AI Impact Summit 2026. Organized by the Ministry of Electronics and Information Technology (MeitY), Government of India, the summit is currently being held at the iconic Bharat Mandapam, New Delhi.

The students, Jagdeep and Deepak V (Class XI), developed a groundbreaking AI-driven project titled "Women's Safety Device – Silent Strength, Instant Protection." Under the expert mentorship of Mr. Parthiban G, the duo designed the solution to address critical societal safety challenges through real-time artificial intelligence.

As national finalists, the students are currently undergoing exclusive, high-level mentorship from the Atal Innovation Mission (AIM), NITI Aayog, and Intel India. This exposure allows them to refine their AI models before showcasing them on a global stage to an audience of international leaders, policymakers, and over 700 industry exhibitors

The summit featured over 100 high-level sessions daily, positioning these young innovators at the forefront of India's AI revolution.
