THE VIDYALAYA GARDEN AND PLANTS

The Vidyalaya garden is an integral part of our school environment, fostering aesthetic appeal, environmental awareness, and educational opportunities for students. The garden remains well-maintained and serves its purpose effectively.

Activities Undertaken

Plantation Drives:

Conducted tree plantation drives involving students from all classes. Focused on native and medicinal plants to promote biodiversity and environmental sustainability.

Regular Maintenance:

Periodic watering, pruning, and de-weeding of the plants. Application of organic fertilizers and pest control measures to ensure plant health.

Infrastructure Enhancements :

Installation of drip irrigation systems for efficient water usage. Repair and repainting of boundary fencing around the garden.

Student Involvement:

Formation of the "Eco Club," where students actively participate in garden-related activities. Organized workshops and awareness programs on the importance of plants in maintaining ecological balance.

Thematic Sections:

Developed sections such as a medicinal plant garden, butterfly garden, and a vegetable patch (KITCHEN GARDEN). Created labels for each plant species to enhance educational value.

Outcomes :

Improved aesthetic appeal of the school premises, contributing to a positive learning environment.

Future Plans:

Expansion of the garden to include more eco-friendly features such as a composting unit. Collaboration with local horticultural experts for advanced guidance. Integration of the garden into the biology curriculum for practical learning.

Signature of Principal
