Principal's message

- Our Vidyalaya has been nurturing young minds by following the idea of learning by doing and by providing a conducive and interesting learning environment. The aim of education is the all-round development of the child in all spheres of life. It's our determined effort to unlock and nurture the hidden talents of our students and to achieve the lakshya of NIPUN BHARAT MISSION. Our team at Kendriya Vidyalaya Andrews Ganj make consistent efforts to make learning a joyful experience.

Vice Principal's message

- It gives me immense pleasure to present this edition of news letter 'Colourful Minds'. This is the showcase of the effort of students and my colleagues throughout the year. This edition of news letter is like a Jadui Pitara where you will find an extraordinary work done by the tiny tots of this vidyalaya. We always emphasize character building, skill development and concept building rather than rote memorization which is an ultimate goal of NEP 2020. I wish all the best and success in every sphere of life

Head Master's message

It is indeed a great pleasure to bring out this edition of News Letter 'Colourful Minds' with the effort of my sincere and dedicated team of teachers. Education is a powerful weapon which can be used to change the world. The primary children are developing the basic concept and moving from Rote learning to Experiential learning, a mission of NEP. It exposes the various abilities of the students in cultural, innovative, co-curricular activities and other constructive activities at the primary level. This special edition 'Colourful Minds' reflects our outcomes of the teachers' work done in the Vidyalaya in order to bring about the all-round development of the students. Congrats to my team!
