OUR PATRONS

- Mr. Sardar Singh Chauhan- DC, KVS(RO) DELHI
- Sh, V K Porwal- Chairman VMC, PM SHRI K V Andrews Ganj
- Dr. R K Sharma- Principal, PM SHRI K V Andrews Ganj

Principal's message

- 
- Our Vidyalaya has been nurturing young minds by following the idea of learning by doing and by providing a conducive and interesting learning
 - Environment. The aim of education is the all-round development of the child in all spheres of life. It's our determined effort to unlock and nurture the hidden talents of our students and to achieve the lakshya of NIPUN BHARAT MISSION. Our team at Kendriya Vidyalaya Andrews Ganj make consistent efforts to make learning a joyful experience.

Vice Principal's message

- It gives me immense pleasure to present this edition of news letter 'KOMAL'. This is the showcase of the effort of students and my colleagues throughout the year. This edition of news letter is like a Jadui Pitara where you will find an extraordinary work done by the tiny tots of this vidyalaya. We always emphasize character building, skill development and concept building rather than rote memorization which is an ultimate goal of NEP 2020. I wish all the best and success in every sphere of life

Head Master's message

It is indeed a great pleasure to bring out this edition of News Letter 'KOMAL' with the effort of my sincere and dedicated team of teachers. Education is a powerful weapon which can be used to change the world. The primary children are developing the basic concept and moving from Rote learning to Experiential learning, a mission of NEP. It exposes the various abilities of the students in cultural, innovative, co-curricular activities and other constructive activities at the primary level. This special edition 'Parakh' reflects our outcomes of the teachers' work done in the Vidyalaya in order to bring about the all-round development of the students. Congrats to my team!

ORIENTATION & VIDYA PRAVESH FOR CLASS 1

orientation acclimatizes the tine tots to the new school environment. It also make the parents aware about our system of teaching and learning.

TOY BASED PEDAGOGY

Toy and games help students to develop their social, cognitive, emotional and physical skills. Children become aware of traditional toys like puppets.

PLAY BASED PEDAGOGY

Play based pedagogy helps students to learn in a fun and active way that engages their mind, bodies and soul.

PARENT TEACHER MEETINGS

Regular and scheduled PTMs provide a platform to discuss performance and behavior of student forming a bridge between the home and school environment.

Assimilating children with special needs and including them in the broader social and educational community facilitating independence and empowering them accommodating their individual differences and needs.

Health camps

Regular health camps in out school provide students with essential screening, ensuring potential health issues are identified and addressed immediately.

Effective use of ICT empowers students with 21st century skills improves the quality of education and makes students more attentive, making the learning process engaging, flexible and diversified.

USE OF ICT / INTERACTIVE ROOM

The programme seeks to develop students as enlightened citizens that make responsible choices and work towards being better human being and recognize their infinite human possibilities

AWAKENED CITIZEN PROGRAMME

MUSIC IN EDUCATION

Music positively impacts a child's academic performance, assists in developing social skills and provides an outlet for creativity.

MORNING ASSEMBLY

Morning assemblies help students to learn discipline by following routine instructions and appropriate behavior in school. It provides a platform to showcase the talents boosting their confidence and helping them to overcome stage fright.

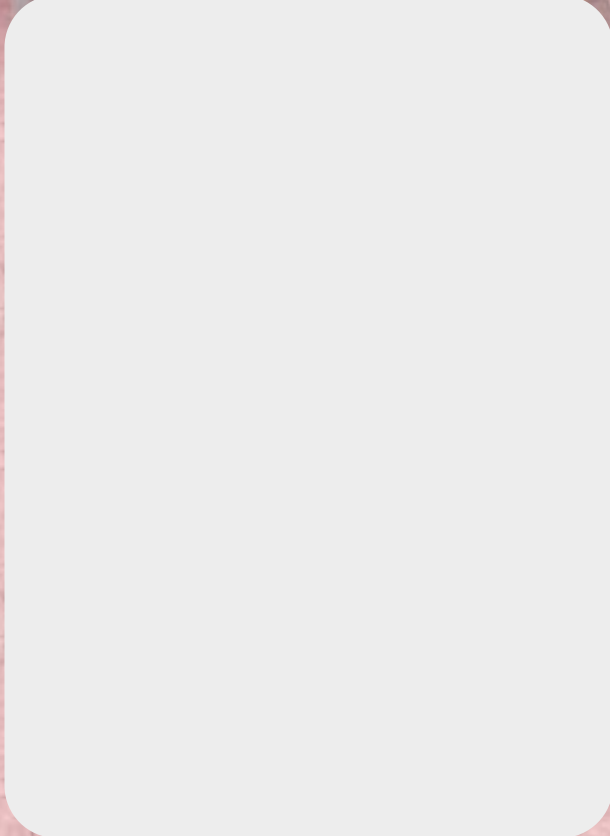

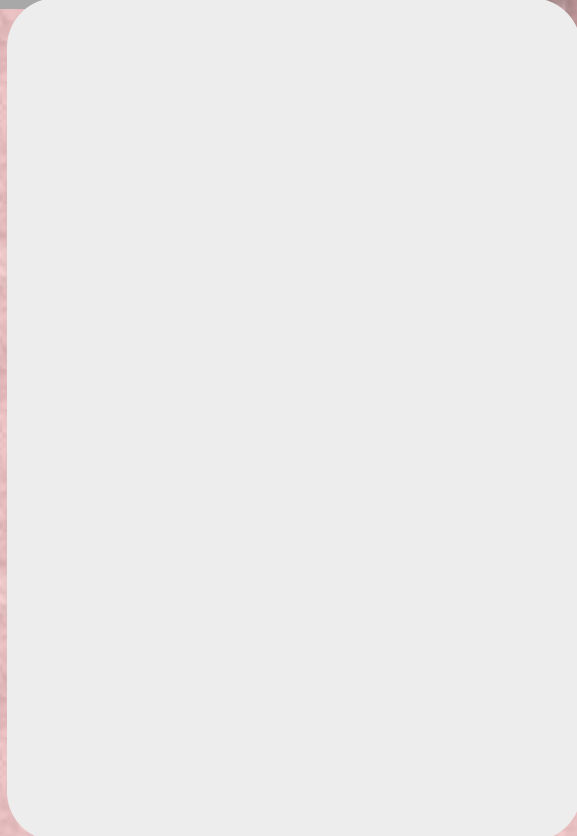

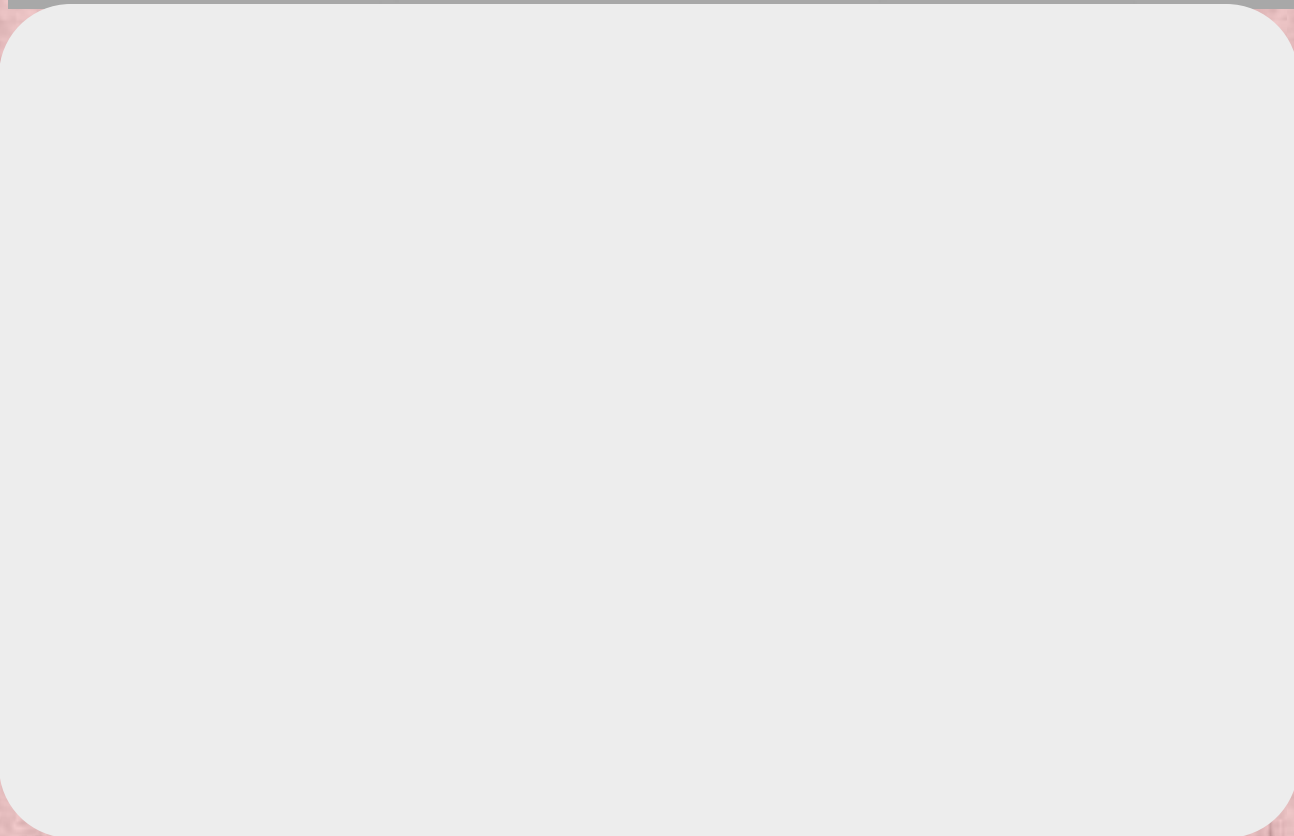

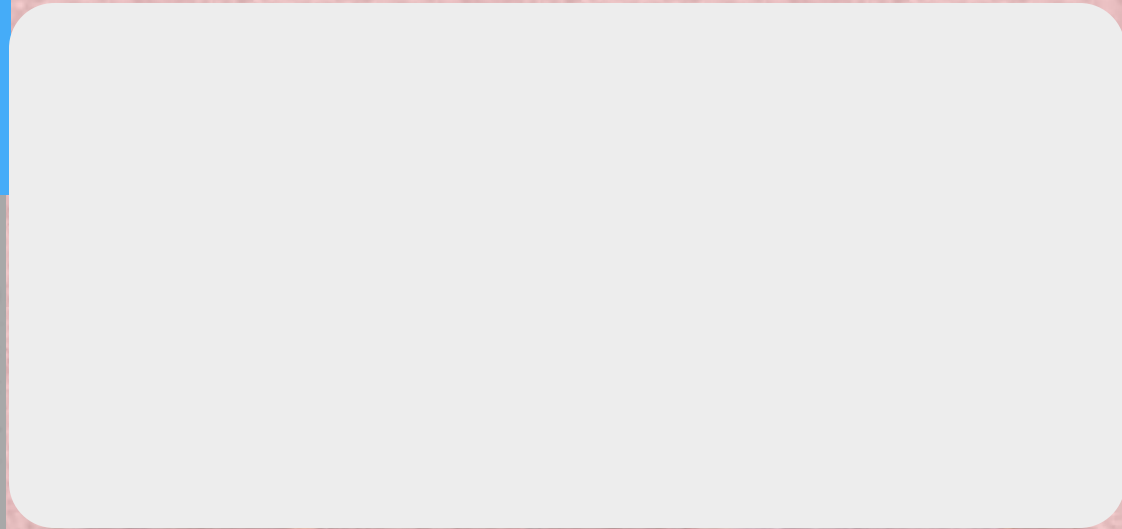

CUBS & BULBULS

The cubs & bulbul programme under The Bharat Scouts and Guides prepares students to become independent and disciplined. It promotes compassion service towards community and universal brotherhood.

CONTINUOUS PROFESSIONAL DEVELOPMENT OF TEACHERS

The teacher education approach aims to help teachers keep up with the changing world. The NEP 2020 recommends teachers to participate in at least 50 hours of CPD each year. It helps teachers increase their knowledge and understanding of a subject area.

CELEBRATIONS

Festivals are most important to learn socialization, friendship, history and other things. This is a fun way of learning. Therefore, in Vidyalaya we celebrate national as well as cultural festivals. Celebration of these festivals in Vidyalaya develops the brotherhood among children and festivals are fun too. So we celebrate all the festivals in Vidyalaya conducting some activities like Diya Making, Rangoli Making, Greeting card making, food contest, flag hoisting, sports, stage programs and cultural events like song, dance etc.

FUNDAY

- Our school conducts funday activities on Saturdays to help students develop a new outlook on life and learning and motivates them to experience a hands on environment wrt the classroom teaching learning process.

CO-CURRICULAR ACTIVITIES

The purpose of preplanned and regular CCAs aims to nurture children at young age, bring out their hidden talent and promote their all round development. Various types of activities both interhouse and interclass like calligraphy, art, music, dance, drama, recitation etc give and opportunity to showcase the talent of the students

NIPUN BHARAT & CMP

NIPUN BHARAT aims to enable children to become motivated, independent and engage readers and writers with comprehension processing sustainable reading and writing skills.

FOUNDATION IN LITERACY & NUMERACY (FLN)

The FLN refers to fundamental building block of education. It aims to straighten student's capacity as creative and critical thinkers improving on diversified assessment techniques and facilitating lifelong learning.

INVESTITURE CEREMONY

The ceremony is a moment of joy and pride where the previous batch of students passes on the mantle of leadership to the next batch. It signifies the reliance and confidence that the school consigns in the newly invested student office bearers.

ECO CLUB

The main motive of the Eco Club is to nurture and teach the importance of the environment to students . It motivate students to imbibe habits and life style for minimum waste generation, source separation of waste and preserve the environment.

YOGA & SPORTS

A healthy mind rests in a healthy body. Sports and Yoga are the best ways of achieving it. Yoga Day and Sports day are celebrated with great zeal and enthusiasm.

TOY LIBRARY

The toy library in our school is a haven for variety of educational toys, puzzles and games. Students shares the resources appropriate for their ages enabling experiential learning.

CREATIVE CORNER

Students are provided with an opportunity through board decoration and preparing collaborative teaching learning material to enhance learning by doing and observe a practice use of classroom pedagogy.

Thank

you

very

much!
