Dear Parents and Little Learners,It brings me immense joy to welcome you to the latest edition of our Primary Wing Newsletter. Early childhood education is the foundation upon which all future learning rests, and at Kendriya Vidyalaya SECL Dhanpuri, our endeavor is to make these foundational years filled with curiosity, joy, and discovery.In alignment with the National Education Policy (NEP) 2020 and the NIPUN Bharat mission, our focus remains on nurturing Foundational Literacy and Numeracy (FLN) through activity-based, play-way learning. Every classroom activity, creative project, and morning assembly is designed to build confidence, creativity, and strong core values. Education is a shared journey between the school and the home. Your continued support, encouragement, and participation in your child's daily learning routines play a pivotal role in their overall growth. Together, we aim to provide an environment where every child feels safe, valued, and inspired to explore their full potential. I extend my heartfelt appreciation to our dedicated primary teachers for their tireless effort in making learning interactive and meaningful, and to our young students for bringing warmth and vibrancy to our school every single day.May our young minds continue to bloom, learn, and soar high!

"Education is not the filling of a pail, but the lighting of a fire." — W. B. Y

brings me immense joy and pride to present the latest edition of our Primary Section Newsletter for Kendriya Vidyalaya SECL Dhanpuri. This newsletter is a vibrant canvas reflecting the boundless energy, curiosity, and artistic expressions of our young learners.At KV SECL Dhanpuri, primary education is designed as an interactive and joyful experience. Guided by the National Education Policy (NEP) and the Foundational Literacy and Numeracy (FLN) mission under NIPUN Bharat, our core focus remains on building strong foundational skills through play-based, activity-oriented, and experiential learning. Every classroom activity, Creative learning Activity (CCA) day, and sports event aims to nurture creative thinking, empathy, and holistic. I extend my heartfelt gratitude to our dedicated team of primary teachers for their untiring efforts, patience, and innovative teaching approaches. I also thank our supportive parents for walking hand-in-hand with us to provide a safe, inspiring, and happy environment for our children.

MORNING ASSEMBLY

Morning assembly makes us punctual. It teaches us to pray and respect others. We learn good thoughts and new words. It removes fear and builds confidence. It keeps our body and mind fresh for studies.

VIDYA PRAVESH

"Vidya Pravesh is a joyful 3-month bridge course that prepares Balvatika-III children for school through play, stories, and activities instead of direct textbook learning."

BALVATIKA

A warm welcome to our Balvatika family!
We are thrilled to welcome your little ones to a brand-new journey filled with curiosity, fun, and learning.
Balvatika is designed to be a happy bridge between home and school, where children learn through play, story-telling, art, and discovery.

INDOOR ACTIVITIES

Indoor games keep us active on rainy days. They make our brain sharp with puzzles and games. We learn creativity through drawing and craft. Group indoor games teach us teamwork. They help us stay calm, focused, and happy.
