Olympiads

At PM Shri Kendria Vidyalaya No, 2 Bhopal We conduct Olympiads in different subjects as scheduled by SOF and Green Olympiad by TERI. Olympiads provide a big platform to students to showcase their talent at different levels. Olympiads improve logical thinking and help students in enhancing their reasoning ability. Students get additional knowledge and get exposure to advancement in science and technology and motivated towards self learning.

Green Olympiad helps to sensitise and build capacity of students on environment, sustainability, and green skills. This year 42 students have participated in Green Olympiad.

The huge number of student's participation was there in various Olympiad which reflects the enthusiasm in learning and their desire to excel.
