A HEARTFELT MESSAGE FROM THE PEN OF THE PRINCIPAL

Dear Readers,

It gives me great pleasure to present the first issue of our newsletter for the academic session 2026-27, highlighting the activities and achievements of Kendriya Vidyalaya No. 2, Imphal during April-June..

This quarter was marked by the vibrant celebrations of Dr. Bhimrao Ambedkar Jayanti, the successful launch of the Vidya Pravesh program, and an engaging Summer Camp, showcasing the exceptional talent, dedication, and enthusiasm of our students.

Our dedicated teachers continue to nurture young minds through innovative, activity-based learning in line with the vision of NEP 2020. I sincerely thank all students, parents, and staff for their constant support and cooperation.

With warm regards,

Dr. Ashutosh Singh

A HEARTFELT MESSAGE FROM THE PEN OF THE HM I/C

From the desk of HM I/C

Dear Students, Teachers, and Parents,

It gives me immense pleasure to share my thoughts in this edition of our school newsletter. The Kendriya Vidyalaya community has always stood for excellence-not only in academics but also in character, creativity, and compassion.

Our students continue to make us proud through their hard work, discipline, and achievements in various fields.

Education today is not confined to textbooks; it is about nurturing values, critical thinking, and a sense of responsibility towards society. I am happy to see our teachers guiding students in this journey with dedication and care. The encouragement and support from parents also play a vital role in shaping our students' future.

Let us continue to work together to uphold the vision and mission of Kendriya Vidyalaya Sangathan — to impart quality education and prepare students to become responsible citizens of tomorrow.

I congratulate all contributors to this newsletter for their creative efforts and thoughtful expression. May this platform continue to inspire our young minds to dream big and achieve greater heights.

With best wishes
Varsha HM I/C
