SIKKIM

EBSB-2024-25

essay

Sikkim is the beautiful and one of the most world famous and organic state in our country. Sikkim became the 22nd state of India under the constitution act in 1975. It is located near to Bhutan and north-east region of the country. It is plain area and very satisfying place for wandering for tourists. The famous food of sikkim is momos. The official languages of the state Lepcha. The population of sikkim is about 6.30 lakhs. From my side this was the best place as i consult. The outfit they wear is likely as tibetan dress. Sikkim is very cold area.

Thankyou!

SIKKIM (Essay)

Sikkim is India's smallest state, located in the northeastern part of the country. Sikkim is India's second-least populated state, and it is well-known for its tranquil natural beauty. Because of its clean environment and gorgeous scenery, Sikkim has become a top tourist destination. The Himalayan state of Sikkim is located in the northeastern part of the Himalayas.

It is also valued because it attracts individuals of many religious castes and ethnicities. The Lepcha, Chang, and Monpa tribes were the previous inhabitants of Sikkim. Residents from neighbouring countries, on the other hand, gradually became a considerable portion of the population of the state. The Lepchas, a Tibetan Naga tribe, are among the tribal groups, as are the Bhutias, descendants of Tibetan Buddhists, and the Nepalese, descendants of Hindus from Nepal, who now make up a large portion of Sikkim's population. Mountains, rivers, forests, and other natural components are frequently referred to as God. Sikkim is like a beautiful bouquet, with brilliant colours and the essence of various flowers in the form of seductive folk dances, rituals, and customs from all tribes and castes.

Their spectacular religious celebrations are accompanied by the monks' energetic and fervent ceremonial mask dance.
