Sec-8, R. K. Puram, New Delhi-22

- (xi) not to place or create nor to permit any Contractor or other person claiming through or under the Concessionaire to create or place any Encumbrance over all or any part of the Project Assets, or on any rights of the Concessionaire therein, save and except as expressly set forth in this Agreement;
- (xii) make its own arrangements for quarrying, if necessary, and observe and fulfill the environmental and other requirements under the Applicable Laws and Applicable Permits;
- (xiii) be responsible for safety, soundness and durability of the Project Facility including all structures forming part thereof and their compliance with the Specifications and Standards;
- (xiv) ensure that the Project Site remains free from all encroachments and take all steps necessary to remove encroachments, if any;
- (xv) make payment to Police Department or any Government Agency, if required, for provision of such services as are not provided in the normal course or are available only on payment;
- (xvi) operate and maintain the Project at all times during the Operations Period in conformity with this Agreement including but not limited to the Specifications and Standards, the Maintenance Programme and Good Industry Practice;
- (xvii) remove promptly according to Good Industry Practice, from the Project Site, all surplus construction machinery and materials, waste materials (including, without limitation, hazardous materials and waste water), rubbish and other debris (including without limitation accident debris) and keep the Project Site in a neat and clean condition and in conformity with the Applicable Laws and Applicable Permits.
- (xviii) **FACILITIES TO BE PROVIDED TO CHILDREN AND STAFF OF KVS**

The Concessionaire shall at its own cost and expense shall provide the training facilities to the school children or any other users decided by the KVS authorities free of cost, during the school hours. The services of instructors, trainers and lifeguards including necessary equipments/ materials shall be made available free of charge for training purpose.

5.2 Obligations of the Concessionaire during Implementation Period

- (a) The Concessionaire shall, before commencement of construction of the Project;
- (1) submit to the KVS Engineer with due regard to Project Completion Schedule and Scheduled Project Completion Date, its design, with calculations conforming to Latest Codes, Standards and Specifications, engineering and construction time schedule and shall formulate and provide Critical Path Method (CPM) Project Evaluation and Review Technique (PERT) chart for the completion of the said activities;
- (2) have requisite organisation and designate and appoint suitable officers/ representatives as it may deem appropriate to supervise the Project and to deal with the KVS Engineer and to be responsible for all necessary exchange of information required pursuant to this Agreement.
