Further, some members expressed their willingness to work with the Regional Sports & Cultural Board. The General Secretary informed the members that additional members would be co-opted in due course, as per the requirements and activities of the Board.

3. In response to the queries raised by the members regarding various matters concerning the Central Government Health Scheme (CGHS), Dr. Navin, Medical Officer, CGHS, Mumbai, provided the following information:

I. Opening of a New CGHS Wellness Centre at Thane

Dr. Navin informed the members that the proposal for opening a new CGHS Wellness Centre near Charai, Thane, had been approved. The Centre is expected to become operational on or before December 2026, subject to the completion of repair and renovation work being undertaken by the Central Public Works Department (CPWD).

II. Overcrowding at Belapur Wellness Centre and Proposed Centre at Panvel

The members of the Income Tax Employees Federation (ITEF) raised concerns regarding the large number of beneficiaries registered with the Belapur CGHS Wellness Centre, which currently caters to beneficiaries across the Navi Mumbai region. The members highlighted the need for additional healthcare facilities to reduce overcrowding and ensure timely access to medical services.

In response, Dr. Navin informed the members that a proposal for establishing an additional CGHS Wellness Centre at Panvel was under process and that further details would be available upon receipt of final approval. He also clarified that beneficiaries in the region could avail medical facilities under either the Central Services (Medical Attendance) Rules, 1944 [CS(MA) Rules] or CGHS, subject to the applicable rules and eligibility conditions.

III. Reimbursement Issues at Empanelled Hospitals and Diagnostic Centres

The members raised concerns regarding instances in which beneficiaries covered under the Approved Medical Attendant (AMA) scheme are charged rates higher than the prescribed

CGHS rates by CGHS-empanelled hospitals and diagnostic centres for medical investigations and treatment.

In this regard, it was advised that beneficiaries facing such issues may bring them to the notice of the concerned CGHS authorities for examination and appropriate resolution in accordance with the applicable rules and guidelines.

IV. Closure of Oshiwara/Jogeshwari Wellness Centre and Proposed Facility in the Western Suburbs

Regarding the closure of the Oshiwara/Jogeshwari CGHS Wellness Centre, Dr. Navin informed the members that suitable premises for relocating the Centre were still being identified. He further stated that efforts were underway to identify suitable premises for establishing a new CGHS Wellness Centre at Borivali or another appropriate location in the Western Suburbs of Mumbai.

V. Submission of Common Grievances and Follow-up with CGHS Authorities

The members were informed that the issues and concerns raised during the meeting regarding CGHS facilities would be consolidated and formally taken up with the Additional Director, CGHS, Mumbai, for examination and necessary action. The proposed communication would cover the matters discussed above, along with other concerns raised by the members, including the need for empanelment of reputed hospitals, strengthening of existing Wellness Centres, difficulties faced by beneficiaries in obtaining emergency treatment, limited availability of doctors for CGHS beneficiaries at certain empanelled hospitals, and the charging of rates higher than the prescribed CGHS rates.

The communication would also seek clarification regarding the eligibility of Central Government employees deputed to State Government departments/institutions and State Government employees deputed to Central Government offices to avail CGHS facilities, in accordance with the applicable rules. Further, the need for timely intimation to the Joint Secretary, CGEWCC, Mumbai Region, regarding the empanelment or de-empanelment of hospitals would also be brought to the notice of the CGHS authorities to facilitate prompt communication of updated information to the concerned offices and beneficiaries.

It was emphasised that these matters require coordinated follow-up with the concerned CGHS authorities to facilitate appropriate decisions and early resolution, particularly where the availability, accessibility and quality of medical services are directly affected. The Committee would seek an update on the action taken and the status of the issues raised so that the members may be apprised accordingly.

Members were also requested to bring common grievances and issues affecting Central Government employees to the notice of the Central Government Employees Welfare Coordination Committee (CGEWCC), Mumbai Region, for appropriate consideration and follow-up with the concerned authorities. Grievances or queries may be submitted by writing to the Committee or by email at mumbai.ito.hq.welfare@incometax.gov.in.
