MOMENTS THAT MATTERED

Your Voice, Your Magazine:

The Editorial Committee is looking for student submissions for our upcoming monthly newsletters and quarterly magazine.

We invite you to submit your **articles, poems, short stories, artwork, or any other creative works** through your class teachers. This is your chance to see your work published!

The Visit to the Indian Parliament

A group of 8 students from PM SHRI Kendriya Vidyalaya Coimbatore had the incredible opportunity to **visit the Indian Parliament** in connection to the **Youth Parliament Competition**. Adding to the pride of the day, the team also received the **Zonal Prize Certificate and the Regional Trophy for the academic year 2024-25**, a true recognition of the school's dedication and excellence at the regional and zonal level.

Regional level Trophy & Zonal Prize Certificate, New Delhi

Coimbatore Shines at Culturals

On 8th and 9th September, our school's students participated in the regional level Kala Utsav, held in conjunction with the Ek Bharat Shreshtha Bharat program at PM Shri Kendriya Vidyalaya No.2 Madurai. We extend our congratulations to the **Group Dance 1st s**, **Display of Artifacts 2nd**, **Visual Arts 3 Dimensional (Sculpture) 2nd prize winners** and all the other participants.

- P Vishnu
- Dheeksha

Vice Swachhata Captains:

- Haresh Unnikrishnan
- M Nishanthi

Vice Discipline Captains:

- Tharun H
- Shabarithaa V

Investiture Ceremony, 2025-26

SPOTLIGHT

A FOND FAREWELL

An Iconic Journey: Celebrating Mrs. Ewangelin Kokila Franklin

I had the privilege of interviewing Mrs. Ewangelin Kokila Franklin, **one of our senior teachers**, who will retire on 26th September 2025. As we began our first newsletter of this academic year, it felt only right to feature a teacher who has been a true icon of our school.

I first asked her what inspired her to choose Mathematics as her subject. She replied, “In my family, everyone pursued PhDs in Physics. Initially, I wanted to study Physics, but seeing this, I changed my major to Mathematics, and that’s how it became my subject for teaching”.

MRS. EWANGALIN KOKILA FRANKLIN
PGT MATHEMATICS

When asked about her most memorable moment in teaching, she shared, “One of my most memorable experiences was the Independence Day celebration in 2022, right after the lockdown. Nearly 95% of the students, along with their parents, attended, and that made me so happy. The performances by the students were truly remarkable and very touching”. She especially enjoyed the Velunachiyar skit, which left a lasting impression on her.

As retirement came up, I asked her what she would miss the most. She answered in one heartfelt word: “Students”. Finally, I asked what message she would like to leave behind for the students.

She replied, “Value your education and never take it for granted. Try to rise higher in life through your hard work and determination, and always remember to make our country proud”.

Though her retirement brings sadness, it also leaves behind a legacy of dedication, inspiration, and countless memories. On behalf of all the students, I wish her a peaceful, joyful, and fulfilling retirement. She will forever remain in our hearts as a teacher, mentor, and an icon of inspiration.

MRS. DEVI NAIR
PRIMARY TEACHER

The Guiding Light of Young Minds:

Teachers are the backbone of society, shaping not just academics but values and curiosity. Mrs. Devi Nair has been that guiding force for countless students, and it is with gratitude that we honor her as she retires this month. When asked what inspired her to take up teaching, she said, “After I did my MSc. Ed, we had ten days of challenging classes teaching 11th and 12th students. It was those ten days that made me decide I wanted to become a teacher”. Curious about her choice to work as a primary teacher, she explained, “Actually, I got my PRT, TGT, and PGT, and got my first teaching post in Bhopal.

During those days, the vacancies for PRT were more than for TGT and PGT. After teaching in the north, I wanted to shift back to the south, and so I applied for a PRT vacancy in southern India”.

When asked about her most memorable experiences with students, she shared, “I really like the questions the children ask us. They have such creative and imaginative minds, and their questions make me think”.

On what she would miss most after retirement, her answer was simple but heartfelt: “Morning assembly”. She explained that it represents a time where students gather, display their talents, and begin the day with energy, patriotism, and unity.

Finally, her message to students was clear and timeless: “Whatever career you choose, you should be honest and truthful”. As her teaching journey comes to a close, every student she has guided will remember her. On behalf of the editorial committee and the student body, we wish Mrs. Devi Nair a happy and peaceful retirement.

Guess the Artist

This masterpiece is world-famous, but can you name the artist?

Hints:

1. They sold only one painting in their lifetime.
2. This iconic work was created while in a French asylum.

Look for the answer in our next newsletter!

Gratitude Highlights

We thank our Principal, Mrs. H D Bhanumathi, for her guidance, our teachers, Mr. Isaac and Mrs. D Geetha, for their support, and every student contributor for bringing **The KV Gazette** to life.

Did you Know !?

The Longest School Day: Students in France often have the longest school day in the world, with classes from about 8:30 a.m. to 4:30 p.m. They get a two-hour break for lunch, though, so maybe it's not so bad after all.

Looking Ahead: The Next Chapter Awaits!

Thank you for being part of this very first edition of The KV Gazette. We hope you enjoyed turning the page with us and exploring the stories and spirit that make our school a family.

While this chapter is closing, a new one is already in the making! Our next quarterly Magazine will be released in October 2025. We encourage you to keep writing and creating, as your stories are the heart of this magazine !
