Class 7

Joyful Maths Holiday Homework!

Explore · Think · Create — Have Fun With Numbers This Vacation!

Subject:
Mathematics

Class:
VII

Submission:
First Day Back

A4 Sheets

Number System & Operations

Integers · HCF & LCM

1

Write all integers between -5 and +5. Circle the negative ones in red and the positive ones in blue. How many integers are there in total?

2

Draw a factor tree for each of 36 and 48

3

Number Staircase:

Start with any 2-digit number. Reverse its digits and subtract the smaller from the larger. Keep repeating. What do you notice? Record at least 3 examples!

Fractions & Decimals

Equivalent Fractions · Operations · Conversion

Fraction Art:

On a grid of 100 squares, colour different fractions with different colours (e.g., $\frac{1}{4}$ red, $\frac{1}{5}$ blue, $\frac{3}{20}$ green...). Write each fraction as a decimal.

Large numbers around us

The district administration is organizing a "Big Farmers' Fair" to encourage local agriculture. The organizers need to manage large crowds, organize parking, and distribute seeds to farmers. The planning team has provided the following data:

Expected Attendance: 12,50,000 people over 3 days.

Parking Capacity: The main ground can hold 1,00,000 cars.

Seed Kits: 5 million small seed kits are prepared for distribution.

Entry Fee Collection: Total collected is ₹98,76,543.

- 1 Write the number of expected attendees using the Indian System of Numeration, inserting commas correctly.
- 2 How many lakhs are in 1 million seed kits?
- 3 If the total entry fee collection (₹98,76,543) is rounded off to the nearest lakh, what is the amount?

Perimeter & Area

Shape Hunt at Home:

Find 5 objects at home that are geometric 2 D shapes. Measure them, name the shape, and calculate perimeter or area for each. Take a photo or make a sketch!

Data Handling

Bar Graphs

- 1 Record the daily temperature of your city for 7 days from a newspaper or app. Find the average temperature and draw a bar graph!

How to Submit — Keep It Neat & Joyful!

- | | |
|---|--|
| ✓ | Write neatly in your homework notebook or on A4 sheets stapled together. |
| ✓ | Show all working steps — not just the final answer. |
| ✓ | Use ruler and pencil for all diagrams and graphs. Colour them! |
| ✓ | Write your Name, Class, Section, and Roll Number on the first page. |
| ✓ | Submit on the first day school reopens. No late submissions please. |

Have a wonderful, safe, and mathematically awesome holiday! 🌈
