-  Learn sight words (1–100 words).

 Enjoy your holidays and keep learning! 

**PM SHRI KENDRIYA VIDYALAYA, KURNOOL**  
**CLASS III (MATHEMATICS)**  
**HOLIDAY PROJECT MAY-JUNE (2026-27)**

**Theme: Joyful Learning of Numbers and Shapes at Home**

**1. Name Math (Weekly Activity):**

Choose '2 names every week' (family, friends, or story characters).

Write: Name, Number of letters, Number name

(Example: RAMA – 4 – Four)

**2. Big Number Hunt:**

Find '3-digit numbers (100–999)' from food packets, bills, or newspapers.

Paste or write them on A4 sheets. Write the 'number name' for each.

(Example: 150 – One Hundred Fifty)

**3. My Daily Clock:**

Draw '3 big clocks' on an A4 sheet. Show the correct time for:

Breakfast

Play

Sleep

**4. Math Story Words:**

Find '5 math-related words' (like long, short, heavy, light, total).

Write them neatly and draw a small picture for each.

**Instructions**

**Do all work in your own handwriting. Use only pencils, pencil colours, crayons, and glue. Keep all A-4 sheets in a folder or paste in scrapbook. Complete the work slowly and enjoy learning. Parents are requested to guide the child. Submit the completed project on the reopening day.**

# SUMMER HOLIDAY HOMEWORK

## THE WORLD AROUND US

### CLASS 3

1. Write 5–6 sentences on:

“Why My Family Is Special”

2. Draw/paste pictures of a family tree and write one quality of each family members.

3. Visit a nearby mela, market, temple, or festival celebration with elders.

Observe:

- Colours
- Sounds
- Food stalls
- Games
- Decorations
- People’s clothes

#### **Activity:**

Draw or paste pictures and write:

1. What did you see?
2. What did you enjoy most?
3. Which new thing did you learn?
4. Which is your favorite festival and how do you celebrate it?

#### **5. Holiday Diary**

Write 2–3 lines every week about:

- Places visited
- People met
- Festivals celebrated
- Fun activities done with family
