2. Student Awareness Program:

- An informative session was conducted for students to educate them about the Vidyanjali program and its impact on enhancing educational opportunities.
- Students were motivated to become advocates for the program by discussing its benefits with their parents and encouraging them to participate as volunteers.

3. Slogan Competition for Vidyanjali Awareness:

- A slogan competition was held to promote awareness of the Vidyanjali program among students.
- The competition encouraged creativity and participation, with students developing compelling slogans that highlighted the importance of community involvement in education.

The program successfully engaged students and the community, fostering a collective effort to enhance education at PM Shri Kendriya Vidyalaya Gachibowli through the Vidyanjali initiative.
