Subject: Request for Certificate Regarding Electrical Safety and Fire Hydrant Work Progress-Reg.

Respected Sir,

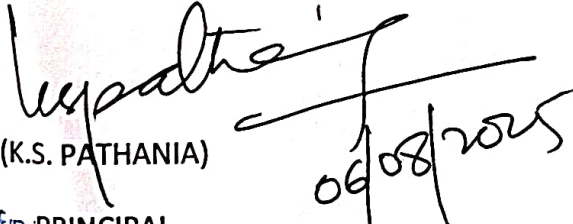

This is to kindly request you to issue a certificate stating that **all electrical installations and gadgets installed in the school premises are safe to use** as per safety norms, and that the **installation of the fire hydrant system is currently in progress.**

This certificate is a mandatory requirement for obtaining the **Fire Safety Certificate** from the Fire Department. We are in the process of completing all compliance formalities and your support in providing this certification at the earliest will help us move forward with the fire department inspection.

We shall be grateful for your kind cooperation in this matter.

Thanking you,

Yours sincerely,
