Deputy Commissioner's Message

In the present environment of science and technology, Kendriya Vidyalaya Sangathan is showing its dignified presence. Its continuity paves the way for multidimensional development of personality and orients it towards totality. The education of Kendriya Vidyalayas is a wonderful blend of generosity, depth of knowledge, culture of character and completeness of personality. Kendriya Vidyalayas have taken the lead in providing numerous opportunities to the students to prove their capabilities and excellence in various fields. The student remains filled with confidence by expressing himself through these various activities.

All the officers and employees of Kendriya Vidyalaya Sangathan demonstrate their dedication to work by doing every work with full dedication, with their positive thinking, unmatched dutifulness, faith and dedication and also remain updated with the latest technology of the developments happening in the field of education. Our aim is to connect the ever-changing specialized fields with the world of education and to help our students climb the various levels of knowledge acquisition and make continuous efforts to achieve the goal.

From the bottom of my heart, I thank the principals, academic and non-academic staff and students of various schools running under Jaipur division for their continuous efforts who are playing an important role in taking every activity forward. I believe that with your cooperation this effort will definitely be successful and will be located in the right direction.

May God give us strength so that we can give the best to the society by being filled with our single-mindedness and meaningful warmth.

OUR PRINCIPAL

The child is the guardian of the nation. By them only the nation is rebuilt. They are the future of the country and by them the inheritance is reserved for the coming species. Going a long way ahead, the nation has to move on the path of progress.

The mothers, fathers and teachers are mainly responsible for the three persons who have foreseen the future of the country. However, the teacher plays an important role due to being trained according to his own expenses. Teachers have unwavering faith in mother, father, children and society. The teacher should not harass his disciple at any time, but should strive for the desired improvement in him and should maintain his own umbrella. If they bash like a rude, they themselves fall on that level, your purpose is only there is an open path in front of you that shows you what is possible for you in life while guiding you.

प्रधानाध्यापिका की कलम से

बच्चों को सिखाया जाना चाहिए कि कैसे सोचना है, नहीं की क्या सोचना है।" -मार्गरेट मीड

मेरे लिए यह प्रसन्नता का विषय है कि हमारा विद्यालय CMP न्यूज लेटर प्रकाशित कर रहा है। पत्रिका विद्यालय की विभिन्न गतिविधियों का दर्पण होती है। विद्यालय में शिक्षण कार्य के साथ साथ छात्र छात्राओं के सर्वांगीण विकास हेतु अनेक गतिविधियां वर्ष पर्यंत चलती रहती हैं। इस पत्रिका के माध्यम से आप अवगत हो सकेंगे कि विद्यालय में स्काउट एंड गाइड (कब बुलबुल), खेलकूद एवं विभिन्न कौशलों के विकास के लिए अनेक प्रतियोगिताओं का आयोजन होता है, जिसमें विद्यार्थी भाग लेते हैं और अपनी प्रतिभा को निखारते हैं।

मुझे विश्वास है कि हमारे विद्यार्थी आगे चलकर प्रबुद्ध, देशभक्त एवं विविध कौशलों से परिपूर्ण सभ्य नागरिक बनेंगे एवं समाज और देश के विकास में अपना यथासंभव सक्रिय योगदान देकर अपने मानव जीवन को सफल बनाएँगे।
