

PM SHRI KENDRIYA VIDYALAYA PANNA (M.P.)

SCHOOL READINESS PROGRAMME FOR CLASS 1, SESSION (2024-25)

SCHOOL READINESS PROGRAMME REPORT

School Readiness programme: In pursuance to the recommendations of the Yashpal Committee, the School Readiness Programme is the activity-based approach for teaching. The main objective of KVS behind School Readiness Programme (SRP) which is purely for class I (New Entrant to KVS, Primary) is to prepare the child who comes from the protected shelter and warmth of the parent's lap to get fit into the new KVS system through their favourite ways; like Poems, Story Telling, Dance, Coloring, Drawing, Cutting, Pasting, Video, Nature survey and Healthy Interaction with teachers and class mates.

At the end of the programme, students will be able to achieve following behavioral outcomes:

1. Recognition of the environment
2. Confidence
3. Observation
4. Pattern copying
5. Correlation
6. Classification
7. Sequential arrangement
8. Expression
9. Understanding
10. Creative Skills.

FIRST DAY OF THE SCHOOL

1. Interactive session: The Class Teacher introduced herself to the students and the students introduced themselves to the students as told to them by the teacher.
2. Cleanliness and hygiene: The teacher checked their uniform properly, haircut and nails. The teacher discussed about the personal hygiene and cleanliness with the students.

3. Attendance routine: The Teacher took their attendance by taking their names alphabetically so that they got to know part of daily schedule.
4. Awareness about washroom and drinking water coolers: Under this activity, Students were given a visit to washrooms, where they have to wash their hands and drinking water coolers.

GOOD AND HEALTHY HABITS

Orientation of healthy habits: In this, students were told about healthy habits such as they should wake up early in the morning, should not eat junk food, and should go for walk in the evening, should not talk while eating etc.

SCHOOL TOUR

Awareness about Vidyalaya: Under this activity, students were given a tour of school premises, in which students got familiarized with the principal's room, Garden, playground, Music room and medical room etc.

INDOOR GAMES

LANGUAGE GAME: In this activity, the teacher was given a demo on how to play this game. First of all, students were recognized letters of English alphabet then write their names by using magnetic letters on the board individually as well as in groups. Later, they wrote their names in their notebooks also.
