

PM SHRI KV AFS RAJOKRI EXHIBITIONS, NCSC/SCIENCE/ETC.

Exhibitions help students to sharpen their analytical and scientific skills. They enhance the problem solving ability in the students and therefore enhance their cognition and competitive skills. Hence PM Shri KV AFS Rajokri offers a variety of exhibitions organised by KVS and other private institutions like NCSC, Rashtriya Bal Vaigyanik Pradarshani, Social science exhibition, seminars and various other platforms for the students to showcase their imagination, boost their confidence and nurture young scientists.

Our budding innovators with right guidance from their mentors represent their projects at regional and national level making a proud moment for their parents and our Vidyalaya.
