

PM SHRI KV AFS RAJOKRI

EDUCATIONAL EXCURSION

Classes four and five from Kendriya Vidyalaya Air Force Station, Rajokri, went on an educational tour to PUSA, New Delhi on December 19, 2023.

With the best wishes of the Principal and the Headmistress, the students commenced their journey from Kendriya Vidyalaya Air Force Station at 8:30 AM and reached the educational tour site at PUSA, New Delhi at 9:30 AM.

The educational tour began under the guidance of Dr. Avinash, an official from PUSA, New Delhi. Officials appointed by him provided the children with valuable information about farming, horticulture, and other related topics.

In this educational tour, primary teachers Mr. Naveen Kumar and Mr. Mahanand Kishore also provided the students with a wealth of knowledge about farming, plants, and horticulture.

Along with Mrs. Deepti Kalra Dhulia, Mrs. Meenakshi, Mrs. Santosh, Mrs. Kamlesh Meena, Mr. Gaurav Kumar, Mr. Mukul Anand, Mr. Shubham Bhakt, Mrs. Pinky, and Ms. Megha, all the students visited the exhibition hall in a disciplined manner. There, they observed and learned about the methods of agriculture and farming from ancient times to modern times. In the exhibition hall, Mr. Naveen Kumar, Mr. Mahanand Kishore, and Mr. Gaurav Kumar provided detailed information to the children about the displayed exhibits.

Afterward, all the students and teachers had lunch together. Notably, Hansika and Suhani from class five took the initiative to collect bags, plastic wrappers, and newspapers to clean the area after lunch.

Following this, at 12:45 PM, all the children boarded their buses to return to the school and reached Kendriya Vidyalaya Air Force Station, Rajokri at 1:35 PM safely and happily.

During this educational tour, the students gained knowledge about horticulture, agriculture, plant maintenance, fertilizers, and new farming techniques while having a great time. All the teachers and students successfully completed this educational tour with their cooperation.
