PM SHRI School in Kendriya Vidyalaya: Importance of PM SHRI

The PM SHRI (Pradhan Mantri Schools for Rising India) initiative is a significant step towards enhancing the quality of education in India. It aims to upgrade existing schools, including Kendriya Vidyalayas, to exemplary standards in infrastructure, pedagogy, and student outcomes. Here's an overview of the PM SHRI initiative and its importance:

What is PM SHRI?

PM SHRI is an initiative by the Government of India to develop select schools across the country into model schools that demonstrate excellence in education. These schools will serve as exemplars for others, showcasing the best practices in teaching, learning, and school management.

Importance of PM SHRI in Kendriya Vidyalayas

- 1. Enhanced Infrastructure**
 - **Modern Facilities:** PM SHRI schools will have state-of-the-art infrastructure, including smart classrooms, science and computer labs, libraries, and sports facilities. This will provide students with a conducive environment for learning and overall development.
 - **Sustainable Practices:** Emphasis will be placed on eco-friendly and sustainable practices in school operations, such as solar panels, rainwater harvesting, and waste management systems.
- 2. Innovative Pedagogy**
 - **Student-Centered Learning:** The initiative focuses on adopting innovative teaching methodologies that prioritize active and student-centered learning. This includes project-based learning, experiential learning, and collaborative activities.
 - **Technology Integration:** Greater integration of technology in education will ensure that students are well-versed with digital tools and resources, preparing them for the digital age.
- 3. Holistic Development**
 - **Beyond Academics:** PM SHRI schools will emphasize the holistic development of students, including their physical, emotional, and social well-being. Co-curricular and extracurricular activities will be integral to the curriculum.
 - **Life Skills Education:** Programs to develop critical life skills such as leadership, communication, and problem-solving will be incorporated, ensuring students are well-rounded individuals.
- 4. Teacher Training and Professional Development**
 - **Continuous Learning:** Teachers in PM SHRI schools will have access to regular training and professional development programs to stay updated with the latest educational practices and technologies.
 - **Mentorship Programs:** Experienced educators will mentor new teachers, fostering a culture of continuous improvement and excellence in teaching.

5. Inclusive Education

- **Accessibility:** PM SHRI schools will focus on making education accessible to all, including students with disabilities and those from marginalized communities. This includes developing inclusive infrastructure and providing necessary support services.
- **Diversity and Equity:** The initiative will promote diversity and equity in education, ensuring that every student has an equal opportunity to succeed.

6. Community Engagement

- **Parental Involvement:** PM SHRI schools will encourage active involvement of parents and the community in the educational process, creating a supportive environment for students.
- **Partnerships:** Collaboration with local organizations, industries, and higher education institutions will be promoted to provide students with real-world learning experiences and career opportunities.

Benefits of PM SHRI for Kendriya Vidyalayas

- **Quality Education:** By setting high standards for educational excellence, PM SHRI will help Kendriya Vidyalayas deliver quality education that meets global benchmarks.
- **Future-Ready Students:** Students will be better prepared for future challenges with enhanced skills and knowledge, making them competitive in the global arena.
- **Model Schools:** Kendriya Vidyalayas under PM SHRI will serve as model schools, inspiring and guiding other schools to improve their standards and practices.

In summary, the PM SHRI initiative is poised to transform Kendriya Vidyalayas into centers of excellence, providing students with a holistic, inclusive, and future-ready education. This initiative underscores the importance of quality education in shaping the future of the nation and ensuring that every child has the opportunity to succeed.

WORKSHOP ON ADOLESCENCE EDUCATION(GENDER SENSITIZATION, MENSTRUAL HEALTH AND HYGIENE)

A workshop on the adolescence education -gender sensitization , menstrual health and hygiene was conducted on 11/12/2023 in biology lab of our vidyalaya under PM SHRI scheme.

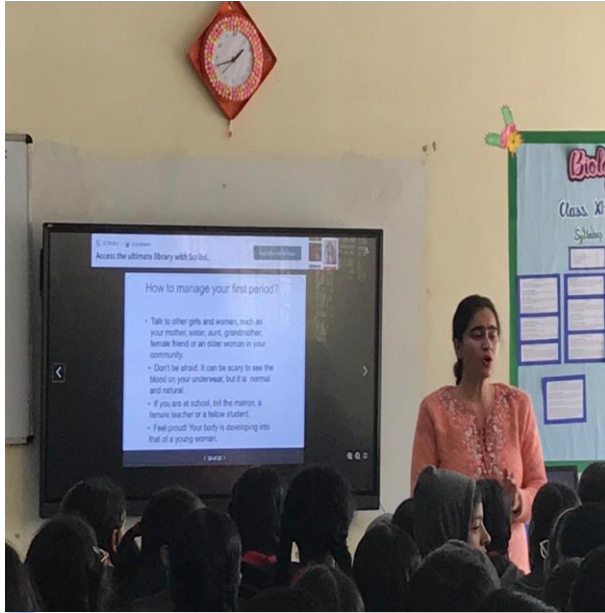

Workshop for the senior girls from classes IX to XII was conducted by Mrs Jyotsna (A qualified Psychologist) and facilitated by Mrs Kumkum Tiwari of Aarunya Youth Initiative (an NGO working to educate , counsel and sensitize people on various important issues)

Workshop for the junior session girls from classes VI to VIII was conducted by Ms DS Amita (PGT chem.) and Ms Deepika Arora (PGT Bio) of our vidyalaya.

During the workshop several activities were conducted to make girl students more aware about themselves and to sensitize them about menstrual hygiene and gender issues.

Students were also shown relevant videos and presentation to have a interactive learning experience.

At last sanitary napkins were distributed among girl students from classes VI to XII.

CARPENTRY WORKSHOP
